NOV 18 1998

## NOTICE OF PESTICIDE:

☒ Registration☐ Reregistration

(under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

Permethrin Plus Pet  
Spray II

Name and Address of Registrant (include ZIP Code):

Pet Chemicals

P.O.ox 18993

Memphis, TN 38181-0993

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Change the label by revising the EPA Registration Number to read, "EPA Reg. No. 4758-181".

3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 5(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

ACCEPTED

with COMMENTS

In EPA Letter Dated: It is a violation of Federal Law to use this product in a manner inconsistent  
with its labeling.

NOV 18 1998

Under the Federal Insecticide,  
Fungicide, and Rodenticide Act,  
as amended, for the pesticide  
registered under EPA Reg. No.  
4758-181

READ ENTIRE LABEL BEFORE EACH USE

(For on-animal application:  
USE ONLY ON DOGS)

PERMETHRIN PLUS PET SPRAY II contains Nylar, an insect growth  
regulator that inhibits the ability of the flea to reproduce thereby eliminating the  
flea population. Immature fleas are prevented from developing into adults and  
the life cycle of the flea is effectively broken.

### PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS WARNING

Causes skin irritation and moderate eye irritation. Do not get in eyes, on skin,  
or on clothing. Prolonged or frequently repeated exposure may cause allergic  
reactions in some individuals. Remove contaminated clothing and wash before  
reuse. Wash thoroughly with soap and water after handling.

Do not treat dogs under 6 months of age with this product.  
Sensitivities may occur after using ANY pesticide product for pets. If signs of  
sensitivity occur bathe your pet with mild soap and rinse with large amounts of  
water. If signs continue, consult a veterinarian immediately.

### FIRST AID

IF ON SKIN: Remove contaminated clothing and wash with plenty of soap  
and water. Get medical attention.

IF IN EYES: Flush eyes with plenty of water. Call a physician if irritation  
persists.

IF SWALLOWED: Drink promptly a large quantity of milk, egg whites,  
gelatin solution, or if these are not available, drink large quantities of water.  
Avoid alcohol.

### PHYSICAL HAZARDS

Do not use this product in or around electrical equipment due to the possibility  
of shock hazard. Do not allow product to freeze.

### DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent  
with its labeling.

PET TREATMENT: Cover animal's eyes with hand and with a firm, fast  
stroke, spray head, ears and chest until damp. With fingertips, rub into face

283

363  
around mouth, nose and eyes. Then spray the neck, middle and hind quarters, finishing with legs last. For best penetration spray against the natural lay of the hair. Make sure spray thoroughly wets ticks. Avoid contact with pet's eyes and genitalia. Do not repeat treatment for 30 days. Do not treat dogs under 6 months of age with this product. Consult a veterinarian before using this product on debilitated, aged, pregnant or nursing animals, or animals on medication.

**KENNELS OR PET SLEEPING QUARTERS:** Apply thoroughly to infested areas such as pet beds and resting quarters, nearby cracks and crevices, along and behind baseboards, window and door sills, and localized areas of floor and floor covering where fleas, ticks, and lice may be present. Old pet bedding should be removed and replaced with fresh bedding after treatment of pet areas. Do not spray surfaces where spotting, staining, or discoloration would be objectionable. Permethrin Plus Pet Spray II can be reapplied after 7 days to control adult fleas that may be present.

**HOUSEHOLD TREATMENT:** Remove birds and cover fish aquariums before spraying. Do not allow children to contact surfaces until spray has dried. Thoroughly vacuum all carpeting, upholstered furniture, along baseboards, under furniture, and in closets. Seal vacuum bag and dispose of in outdoor trash. Mop hard surface floors. Prior to treatment, test a small amount of spray in an inconspicuous area to ensure that spotting or staining will not occur. Using a smooth back and forth motion, thoroughly spray areas to be treated. Avoid soaking area. Dispense sufficient amount to just wet the treated area. If fleas reappear, either repeat treatment or allow the residual effect of Permethrin Plus Pet Spray II to kill the newly emerged fleas.

#### **STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**STORAGE:** Do not use or store near heat or open flame. Store in a dry area inaccessible to children.

**DISPOSAL:** Do not reuse empty bottle. Rinse thoroughly before discarding in trash.

In Case of an Emergency or for Product Use Information, call (901) 362-1950, Monday thru Friday, 7:30 a.m. - 4:30 p.m. (CST).
