Conditional

Name of Pesticide Product: Carpet
Powder Plus II

Name and Address of Registrant (include ZIP Code):

Pet Chemicals
P.O. Box 18993
Memphis, TN 38181-0993

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Change the label by revising the EPA Registration Number to read, "EPA Reg. No. 4758-183".

3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

KEEP OUT OF REACH OF CHILDREN

CAUTION

SEE BACK PANEL FOR PRECAUTIONARY STATEMENTS

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if swallowed. Avoid breathing dust and contact with eyes, skin or clothing. Wash hands after handling and before eating or smoking. Do not contaminate feed, water or foodstuffs. Do not apply to food processing surfaces or use in food processing areas where food is exposed. Cover fish aquariums before use. Keep children and pets off treated carpet and upholstered furniture during treatment and while powder is still visible on their surfaces.

FIRST AID

IF SWALLOWED: Call physician or Poison Control Center immediately. Induce vomiting by giving victim 1 or 2 glasses of water and touching back of throat with finger. Never give anything by mouth to an unconscious person.
IF IN EYES: Flush with plenty of water. Get medical attention if irritation persists.
IF ON SKIN: Wash with soap and water.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Shake well before using.

One 16 ounce canister contains enough powder to treat 1 to 2 rooms (200-400 square feet). When using this powder at the lower rate, allow the powder to remain in place for 24 hours before vacuuming. Apply to dry surfaces only. Do not wet powder. Apply powder more heavily to areas of flooring or furniture on which the pet spends most time.

CARPETS: Shake powder evenly across surface. Brush lightly with broom to force powder deep into carpet where fleas, their larvae, and eggs exist. Wait at

283

least 60 minutes before (lightly) vacuuming to remove visible surface powder. For maximum efficacy, delay vacuuming for up to 24 hours.

UPHOLSTERY: Remove loose cushions. Sprinkle along creases and into corners. Brush lightly to work powder into folds and creases. Vacuum to remove visible powder on surfaces. Do not use on exposed fabric without first testing on a hidden surface for effects on color (staining) or texture. If powder adheres to a spot, brush out and vacuum that area immediately.

When emptying vacuum bag after use, wrap contents or disposable bag in several layers of newspaper and discard in trash.

Treat pets with a registered flea and tick control product prior to re-entry.

STORAGE AND DISPOSAL

Storage: Store in a cool, dry area inaccessible to children and pets.

Disposal: Do not reuse container. Wrap container and put in trash collection.

This container is sold by weight, not volume. You can be assured of proper weight even though some settling of contents normally occurs during transportation and handling.
