Attention: William Lucke

Gentlemen:

Subject: Additive MC
EPA Registration No. 4808-5
Your Submission Dated December 7, 1987
EPA Received Date December 23, 1987

The submission referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling.
 - a. Place the statement "Keep Out of Reach of Children" directly above the signal word "Warning."
 - b. Revise the "Directions" subheading to read "Directions for Use."
 - c. Place a misuse statement directly below the "Directions for Use" subheading to read:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

- d. Delete the word "milk."

- c. The precautionary statements should read:

Precautionary Statements
Hazards to Humans and Domestic Animals
WARNING

Causes eye damage and skin irritation. Avoid contact with skin, eyes, or clothing. Harmful if swallowed. Wear goggles or face shield and rubber gloves when handling. Avoid contamination of food. Remove and wash contaminated clothing.

Statement of Practical Treatment

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, drink egg whites, gelatin solution or, if these are not available, drink large quantities of water. Call a physician.

2. Submit five (5) copies of your final printed labeling before you release the product for shipment.

Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

If you have any questions concerning this letter, please contact Karen Leavy at (703) 557-3966.

Sincerely yours,

John H. Lee
