INERT INGREDIENTS:51.5%

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS. KEEP OUT OF REACH OF CHILDREN.**

OTHER PRECAUTIONS - Contains amines. Do not add sodium nitrite or other nitrosating agents to this additive. Suspected cancer-causing nitrosamines could be formed.

WARNING

Causes eye damage and skin irritation. Avoid contact with skin, eyes, or clothing. Harmful if swallowed. Wear goggles or face shield and rubber gloves when handling. Avoid contamination of food. Remove and wash contaminated clothing.

STATEMENT OF PRACTICAL TREATMENT

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, do not induce vomiting. Drink promptly large quantities of water. Immediately contact physician and obtain treatment.

ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

STORAGE AND DISPOSAL

Metal containers- triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

Plastic containers- triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of federal law. If these wastes cannot be disposed of by use according to label instructions, contact your state pesticide or environmental control agency, or the hazardous waste representative at the nearest EPA Regional Office for guidance.

USE ONLY AS RECOMMENDED- Do not utilize this product without first referring to the Milacron Product Information Folder and the MSDS for the product. If frozen, thaw completely at room temperature before using.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Additive MC is recommended for use in central filtration systems using water based metalworking fluid mixes. Add 1 gallon of Additive MC to 1000 gallons of metalworking fluid mix once a week:

- 1. To prevent loss of cutting fluid performance (rust, rancidity, poor tool life, etc.); 2) To prevent rancid odors; 3) As part of a preventive maintenance program.

EPA REG. NO. 4808-5

EPA Est. No, 4808-OH-2

NET CONTENTS: 493 lbs.

If you have not received an OSHA Material Safety Data Sheet (MSDS) for this product or have an OSHA MSDS for this product with a Date Printed before August 19, 1998, contact Milacron Inc., Consumable Products Division at 513-841-7374 for a current MSDS.
