

# WASP & HORNET KILLER NO. 1

Contains Pyrethrin<sup>®</sup> and Sevin<sup>®</sup>

Fast Acting!

Kills Wasps, Hornets and Yellow Jackets

DIELECTRIC STRENGTH: Electrodes 1/10" apart,  
no arcing at 25,000 volts

ACTIVE INGREDIENTS	
Pyrethrins	0.075%
Piperonyl Butoxide, Technical	0.188%
Carbaryl (1-Naphthyl N-methylcarbamate)	0.50%
Petroleum Distillate	24.23%
INERT INGREDIENTS	75.00%
	100.00%

Equivalent to 0.150% (butylcarbityl)(6-propyl-  
terphenyl ether and 0.038% related compounds

PYRETHRIN - Registered Trademark of Fairfield  
American Corporation

SEVIN - Registered Trademark of Union Carbide  
Corporation for the active ingredient  
Carbaryl

**KEEP OUT OF REACH OF CHILDREN**

**CAUTION**

Hazardous if swallowed, inhaled or absorbed through the skin.

See side panel for additional precautions.

**ACCEPTED**

JUL 14 1981

Under Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the purpose of registration under EPA Reg. No. 4816-337

cracks, holes or crevices wherever insects are noticed. Spray for about 10 seconds or until surface is moist from insecticide. To prevent entrance of insects into the house spray around points where outside plumbing, faucets, enter the house and into any cracks or crevices in foundation as well as along sills and ledges.

**Kills Wasps, Hornets and Yellow Jackets:** This spray is fast acting when insects are hit directly. Allow about 24 hours for those insects which were not directly hit by spray to leave the area. If insects should return to the treated area, spray again. This container delivers a stream type spray, making it possible for the operator to stay back from the places sprayed.

This formulation utilizes pyrethrins, piperonyl butoxide and a carbamate type insecticide, a combination particularly effective on this class of insects.

## DISPOSAL

Transfer to a suitable container and dispose of in trash. Do not incinerate.

## PRELIMINARY STATEMENTS HAZARDS TO HUMANS & DOMESTIC ANIMALS

### CAUTION

If swallowed, inhaled or absorbed through the skin. Avoid breathing spray mist or contact with skin. Wash thoroughly after using. Avoid storage near food or feed. Do not spray on pets, humans or other animals.

Do not use in edible product areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

### PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.

NET CONTENTS \_\_\_\_\_

EPA Reg. No. 4816-337 EPA Est. No. 279-NY-1

## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Remove cap, remove protective cap and depress nozzle to spray. Spray directly at insect wherever possible and under eaves, into nest,
