Malathion (0,0-dimethyl dithiophosphate of diethyl mercaptosuccinate)	2.000%
**INERT INGREDIENTS	97.825%
	100.000%

*Equivalent to 0.100% (butylcarbityl) (6-propylpiperonyl) ether and 0.025% related compounds.

**Contains aromatic petroleum derivative, solvent and petroleum distillate

CAUTION

KEEP OUT OF REACH OF CHILDREN.

See back panel for additional cautions.

THIS PRODUCT CONTAINS
CHLOROFLUOROCARBON-11 AND
CHLOROFLUOROCARBON-12

DIRECTIONS FOR USE

To Operate: Hold container upright, nozzle away from you and spray infested surfaces only until wet.

For Roaches, Waterbugs, Spiders, Crickets: Spray heavily into all cracks, crevices, and adjacent exposed surfaces over which insects run. Repeat treatment as required.

For Silverfish: Treat as for roaches, but pay particular attention to baseboards, behind shelving, bookcases, and storage areas. Repeat treatment as required.

For Ants: Spray ant trails and areas around door sills, window frames, baseboards where ants may enter. Out of doors, spray ant trails and thoroughly wet nests with spray. Repeat treatment as required.

For Carpet Beetles: Make localized application to areas of the floor and baseboards. Spray directly into cracks and under carpets where insects may be found. Treat crevices, cracks or closets and infested areas of shelving. Repeat treatment as required.

For Flies, Mosquitoes, Wasps and Small Flying Moths Outdoors: For outdoor use only as an aid in reducing annoyance from these insects. Spray outside surfaces of screens, doors, window frames or wherever these insects may enter the room. Also treat surfaces around light fixtures on porches, in garages and other places where these insects alight or congregate.

CAUTION: Harmful if swallowed. Avoid breathing of spray mist. Avoid contact with skin; wash thoroughly after using. Avoid contamination of feed and food-stuffs. Never set container on stoves, radiators, nor places where temperature will exceed 120°F and may cause it to burst. Do not puncture or throw into fire.

Do not use in commercial food processing areas or in edible product areas of food processing plants.

Warning: Flammable: Contents under pressure. Do not use near fire, sparks or flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

Terms of sale or use in purchase or use of this product buyer and user agree in the following conditions:

Warranty: F.A.C. warrants that this product, as of the time of sale by F.A.C. is conformant to the registration statement on the label, and is reasonably fit for the purposes set forth in the directions for use. Except as so warranted the product is sold as is. F.A.C. makes no
