INSTRUCTIONS FOR USE

FOR HOUSE FLIES, MOSQUITOES, AND GNATS: Close windows and door. Spray directly toward ceiling in all direction until room is filled with mist. Then leave the room. Keep door closed for at least 1 hour. Ventilate room when treatment is completed.

WASPS: Application should be made in late evening when insects are at rest. Spray liberally into hiding and feeding places, contacting as many insects as possible. Repeat as necessary.

CAUTION

Do not use in areas where children or pets are present. Do not use in areas where food is stored. Do not use in areas where food is prepared. Do not use in areas where food is served. Do not use in areas where food is consumed.
