**DIRECTIONS:** Shake can before using. Remove overcap and dispense a puff of lather about the size of a baseball onto the hair of the animal.

Spread this lather over the animal with the fingers, work it well and evenly into coat of hair. After about 15 minutes, dry with a towel, comb and brush the animal. For the best results, use each week or as needed.

**CAUTION:** Avoid contact with eyes. Do not treat kittens or puppies under 4 weeks of age. Avoid contamination of feed or foodstuffs.

**WARNING:** Contents under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 130° F may cause bursting. Never throw container into fire or incinerator.
