PYRENONE - Registered Trademark of Fairfield American Corporation

**KEEP OUT OF REACH OF CHILDREN.
CAUTION**

See rear panel for use cautions.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To control fleas, ticks and lice. Holding can upright, spray the animal with short bursts from a distance of 10 to 12 inches. Starting at the tail, stroke against the lay of the hair, spraying the parted fur directly behind the hand to insure penetrating the coat. Dampen the fur up to the head. Spray a cat 20 to 30 seconds or an average dog 30 to 45 seconds is usually sufficient. Repeat application weekly if necessary to control reinfestation.

To control infestation in sleeping quarters, after treating animals, spray bedding, walls and floor with special attention to cracks and crevices.

HAZARDS TO DOMESTIC ANIMALS

Do not spray directly in/or eyes, mouth or genitalia of pets. Do not treat or cause exposure to kittens or puppies less than four weeks old. Do not use this product on pregnant animals.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED - Contact a physician or Poison Control Center immediately. Do not induce vomiting unless directed by a physician.

IF INHALED - Remove affected person to fresh air. Apply artificial respiration if indicated.

IF IN EYES - Flush with plenty of water. Contact a physician if irritation persists.

IF ON SKIN - Remove contaminated clothing and wash affected areas of skin with soap and water. Contact a physician if irritation persists.

ENVIRONMENTAL HAZARDS

This product is extremely toxic to aquatic invertebrates. Do not apply directly to water or wetlands. Do not contaminate water by clearing of equipment or disposal of wastes.

PHYSICAL & CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Exposure to temperatures above 130°F may cause bursting.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
