# BUTAMIN INDOOR/OUTDOOR SPRAY

BEST AVAILABLE COPY

Superior Early Knockdown Of Insects

KILLS Flies, Mosquitoes and Gnats Up to 20 Feet Away

Also Kills Ants, Centipedes, Crickets

## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

## STORAGE AND DISPOSAL

Do not incinerate. Wrap container and put in trash collection.

Butamin Indoor/Outdoor Spray is intended for use indoors and in backyards, patios and picnic areas.

SHAKE BEFORE USING.

To kill ants, centipedes and crickets: Spray infested surface of patio or picnic area, hitting as many insects as possible. Spray ant hills and trails for best control. Repeat as necessary.

When properly directed, the spray mist will kill flies, mosquitoes and gnats up to 20 feet away. Point valve opening away from face. For best results, spray when air is calm. Allow a few minutes for product to take effect. Spray from center of area to be treated when not breezy. Spray with wind if breeze is blowing.

Flies, Mosquitoes, Gnats and Small Flying Moths: Close all doors and windows and spray all parts of the room with mist. Direct spray into all areas of the room, especially windows and other light sources which attract these insects. Keep the room closed for 15 minutes after treatment. Ventilate the room completely before reentry. Repeat treatment as necessary.
