PM 15  
4816-527

APR 4

Under the Federal  
Fungicide, and Insecticide  
Act as amended, for the  
registered under  
EPA Reg. No. 4816-527

Active Ingredients	
Pyrethrins	2.666%
*Piperonyl Butoxide, Technical	28.667%
**0,0-diethyl (2,4,5-trichlorophenyl) phosphorothioate	13.156%
***2,2-dichlorovinyl dimethyl phosphate	3.100%
Related Compounds	0.233%
Petroleum Distillate	47.401%
Inert Ingredients	6.777%
	100.000%

\*Equivalent to 21.334% (butylcarbityl) (6-propyl-piperonyl) ether and 5.333% related compounds

\*\*Ronnel

\*\*\*DDVP

**KEEP OUT OF REACH OF CHILDREN**

**DANGER** Concentrate is poisonous if swallowed, inhaled or absorbed through skin or eyes. Do not get on skin or eyes. Do not breathe fumes. Avoid exposure to fumes. Wear natural rubber gloves, protective clothing and goggles when handling the concentrate to prepare emulsions. Wear a mask or respirator of a type passed by the U.S. Bureau of Mines for protection against this material. Keep all unprotected persons out of operational areas.

In case of contact, wash immediately with soap and water. Wash hands, arms, and face thoroughly with soap and water before eating or smoking. Wash all contaminated clothing with soap and hot water before reuse.

## ANTIDOTE AND FIRST AID TREATMENT

**ATROPINE** is the emergency antidote. Consult your physician about obtaining an adequate supply of 1/100-grain atropine tablets for emergency use. **CALL A PHYSICIAN IMMEDIATELY IN ALL CASES OF SUSPECTED POISONING.**

**INTERNAL:** If the material has been swallowed, induce vomiting immediately. This may be done by introducing a finger into the throat or by giving warm salt water (1 tablespoon of salt to a glass of water). **NEVER GIVE ANYTHING BY MOUTH TO AN UNCONSCIOUS PERSON.**

**EXTERNAL:** If the material has been spilled on the skin, immediately remove patient from the vicinity of the insecticide, remove all contaminated clothing, and wash skin with soap and running water. If the material gets into the eyes, wash immediately with running water for at least ten minutes.

**IF WARNING SYMPTOMS APPEAR:** Administer two 1/100-grain tablets immediately. **NEVER ADMINISTER ATROPINE UNLESS WARNING SYMPTOMS APPEAR** (See WARNING SYMPTOMS below)

Keep patient prone and quiet.

Start artificial respiration immediately if patient is not breathing.

Transport the patient immediately to the nearest physician.

## NOTE TO PHYSICIAN:

**WARNING SYMPTOMS:** Symptoms include weakness, headache, tightness in chest, blurred vision non-reactive pin-point pupils, salivation, sweating, nausea, vomiting, diarrhea and abdominal cramps.

**TREATMENT:** Atropine is the specific therapeutic antagonist of choice against parasympathetic nervous stimulation. If there are signs of parasympathetic stimulation, atropine sulfate should be injected at 10-minute intervals, in doses of 1 to 2 milligrams until complete atropinization has occurred.

Morphine is contraindicated.

Clear chest by postural drainage.

Observe patient continuously for 48 hours.

Repeated exposure to cholinesterase inhibitors may, without warning, cause prolonged susceptibility to very small doses of any cholinesterase inhibitor.

Allow no further exposure until time for cholinesterase regeneration has been allowed as determined by blood test.

## Directions for Use

### For Formulation of Insecticides Only

Physical data and formulating information is given on the Product Description Sheet.

Formulator is responsible for providing performance data to support use label claims.

### Environmental Cautions

This product is toxic to fish, birds and other wildlife. Keep out of lakes, ponds and streams. Do not contaminate water by cleaning of equipment or disposal of wastes.

### Disposal Caution

Do not reuse empty container. Return to drum re-conditioner or destroy by perforating and burying in a safe place.

Terms of sale or use: On purchase or use of this product buyer and user agree to the following conditions:

Warranty: FAC warrants that this product, as of the time of sale by FAC, (1) conforms to the ingredient statement on the label, and (2) is reasonably fit for the purposes set forth in the Directions for Use. Except as so warranted the product is sold as is. FAC makes no other warranty express or implied.
