**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS**

CAUTION

Do not contaminate feed or water. Avoid contact with humans and domestic animals. Do not use on other animals.

Environmental Hazards

This product is toxic to fish and aquatic invertebrates. Do not use in or near water. Do not use on lawns or ornamentals. Do not use on other animals.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Do not contaminate water, food and feed by storage or disposal. Open dumping is prohibited. Pesticide, spray mixture or residue that cannot be used or chemically reprocessed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies. Triple rinse or equivalent and offer for recycling, reconditioning or disposal in approved landfill or bury in a safe place. Consult Federal, state or local disposal authorities for approved alternative procedures.

DIRECTIONS FOR USE ON HORSES AND PONIES

1. Dip the animal in the solution for 10 to 15 minutes.
2. Repeat the application every 7 to 10 days. Stabilene E.C. is a repellent and should be applied every 7 to 10 days. Pyrenone E.C. is a contact insecticide and should be applied every 7 to 10 days.

To Kill and Repel House Flies, Horn Flies, Gnats and Mosquitoes:

1. Dip the animal in the solution for 10 to 15 minutes.

To Kill and Repel Horse Flies, Stable Flies, Deer Flies and Face Flies:

1. Dip the animal in the solution for 10 to 15 minutes.
2. Wash the animal with water.
3. Rub against the hair with the solution. Pay special attention to areas where the hair is thin and sparse, where the flies are most likely to bite. Avoid contact with eyes or nostrils. Apply the solution to the animal's hair.

4. Repeat the application every 7 to 10 days. Stabilene E.C. is a repellent and should be applied every 7 to 10 days. Pyrenone E.C. is a contact insecticide and should be applied every 7 to 10 days.

To Kill Fleas and Lice:

Using a dilution of 1 part concentrate to 49 parts water, apply enough spray to thoroughly wet the skin of the animal. Repeat treatment as necessary. To help in prevention of reinfestation, thoroughly spray premises and sleeping quarters, paying particular attention to cracks and crevices.

To Kill Attached Ticks:

Saturate a cloth with this concentrate and dab directly on ticks. Avoid contact with eyes or nostrils.

IN HORSE BARN, STABLE AND TACK ROOMS

To control flies, mosquitoes and gnats, dilute at a rate of 1 part concentrate to 24 parts water and apply as a fog or mist. Directing spray toward the ceiling and upper corners of the area. Dilute with mist using about 2 ounces per 1000 cubic feet of space. For best results, close doors and windows before spraying and keep them closed for 10 to 15 minutes. Ventilate the area and ventilate before re-occupying. Repeat application as necessary.

Use As A Water Spray

1-9 Dilution: Mix 1 quart of emulsifiable concentrate Pyrenone Stabilene E.C. with 9 quarts water to make 2 gallons of spray. Spray before using. Apply at the rate of 1 quart per animal per acre depending on the size of the animal.

Horn Flies, Mosquitoes, and Gnats: Apply as necessary to give continued protection.

Stable Flies and House Flies: Apply as necessary to give continued protection.

Horse Flies and Deer Flies: Apply as necessary to give continued protection.

This dilution will kill horse flies, stable flies, house flies, horn flies, mosquitoes and gnats on the animal at the time of application.

1-14 Dilution: Mix 1 quart of emulsifiable concentrate Pyrenone Stabilene E.C. with 14 quarts of water to make 3 gallons of spray. Spray before using. Apply at the rate of 1 quart per animal per acre depending on the size of the animal.

Horn Flies, Mosquitoes, and Gnats: Apply as necessary to give continued protection. This dilution will kill horn flies, mosquitoes and gnats on the animal at the time of application.

Warranty Statement: Buyer assumes all risks of use, storage and handling of this material in accordance with directions given hereon.
