PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS & DOMESTIC ANIMALS  
CAUTION: Harmful if swallowed. May be absorbed through the skin. Avoid breathing of spray mist. Avoid contact with skin, eyes or clothing. Wash thoroughly after handling. Do not allow spray to contact food, feedstuffs or water supplies. Thoroughly wash dishes and food handling utensils if contaminated by this spray.  
ENVIRONMENTAL HAZARDS  
This product is toxic to fish, birds and other wildlife. Keep out of lakes, streams or ponds. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on the label.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

### STORAGE AND DISPOSAL

Do Not Reuse Empty Container. Wrap Container and Put in Trash Collection.

Spray infested surfaces until wet.

Do not use in edible product areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

Remove pets and cover fish bowls before spraying. Do not allow children to contact treated surfaces until surfaces are completely dry.

To Kill: Cockroaches Spiders  
Ants Crickets  
Silverfish

Spray areas where these pests are found or may hide, including dark corners of rooms and closets, cracks, crevices, along baseboards, and door sills and frames, behind and beneath sinks, stoves, refrigerators, cabinets, and around garbage cans, plumbing and other utility installations. Pests flushed out of hiding should be sprayed directly. Treat ant trails, nests and points of entry. Repeat treatment as necessary.

To Kill: Carpet Beetles

Spray edges of carpeting and under carpeting and rugs. Make localized application to the floor and baseboards. Spray directly into cracks, closets and infested areas of shelving. Repeat as necessary.

To Kill: Brown Dog Ticks

Thoroughly spray sleeping quarters of animals. Spray infested areas around baseboards, windows and door frames, wall coverings. Applications should be repeated as necessary. Bedding should be placed in animal quarters following treatment. DO NOT TREAT ANIMALS WITH FORMULATION.

NET CONTENTS 1 QUART  
NET CONTENTS 2.1 POUNDS

To Kill: Flies Mosquitoes  
Small Flying Moths

For outdoor use only as an aid in reducing annoyance from these pests. Spray outside surfaces of screens, doors, window frames or wherever these insects may enter the room. Also treat surfaces around light fixtures or porches, in garages and other places where these insects alight or congregate.

To Kill: Fleas Chiggers  
Ants } Outdoors

For treatment of localized infestations of these insects in outdoor areas, spray weeds and bushy non-crop areas around the home thoroughly. Avoid spraying desirable plants. For ants, thoroughly wet hills and runways. Repeat applications as infestations warrant and as reinfestations occur.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions.
