DIRECTIONS FOR USE General Classification

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Storage and Disposal

Do not reuse empty container. Destroy by burying with waste or burning. Stay away from smoke and fumes.

FOR USE IN HOMES, APARTMENT BUILDINGS, STORES, RESTAURANTS (non-food areas) AND WAREHOUSES

Apply bait lightly to floors near baseboards, in closets, under sinks and refrigerators, around and inside garbage cans, and in other areas where insects are found, but which are inaccessible to children, such as cracks and crevices.

DO NOT APPLY TO ANIMALS. DO NOT TREAT PORTIONS OF BUILDINGS WHERE ANIMALS CAN FEED ON BAIT. Use approximately 4 ounces of bait per 1000 square feet of space and scatter lightly so that bait is barely visible. Repeat as necessary. Keep out of reach of children.

FOR USE IN RESTAURANTS, POULTRY PACKING, RED MEAT PACKING AND FOOD PROCESSING PLANTS, INCLUDING PLANTS THAT ARE FEDERALLY INSPECTED

Apply bait on paper, pasteboards or other material that will permit removal. Locate these bait stations on window sills on the floor near walls in storage areas and other areas where insects have been observed. Maintain strict account of locations and number of bait stations. Do not apply bait in edible product areas. Do not use in edible product areas of food processing plants, restaurants, or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

Buyer assumes all risks of use, storage or handling of this product not in strict accordance with directions given hereon.

**Precautionary Statements
Hazards to Humans and
Domestic Animals**
