Company of Farbenfabriken Bayer GmbH,  
Leverkusen

**Keep Out Of Reach Of Children  
WARNING**

TO PHYSICIAN: Atropine sulfate is antidotal.  
See rear panel for additional precautions.

EPA Reg. No. 4816-549 EPA Est. No. 279-NY-1

### DIRECTIONS FOR USE

It is a violation of Federal law to use this  
product in a manner inconsistent with its label-  
ing.

**FOR HOUSEHOLD USE ONLY:**

Roach & Ant Spray (containing BAYGON) is a  
highly effective new formulation which provides  
rapid kill of such crawling insects as those  
listed below, including insects resistant to  
aerially chlorinated hydrocarbon and phosphate  
insecticides.

Ants	Fleas	Sawtoothed Grain
Brown Dog Ticks	Flies	Beetles (ex-
Clover Mites	Mosquitoes	posed stages)
Crickets	Scorpions	Silverfish
Earwigs	Roaches	Sowbugs
		Spiders

In addition to rapid kill, this insecticide  
stays on treated surfaces and kills insects for  
up to two weeks after the spray deposit has  
dried.

**HOW TO USE:** This insecticide is ready to use  
undiluted as it comes from the container and  
may be applied with either a power-operated or  
a hand sprayer such as a Hudson, B & G, or R-L  
(Root-Lowell) type. Apply as a coarse spray to  
wet infested surfaces, moving the spray stream  
rapidly enough to prevent excessive wetting of  
surfaces and waste of material. Direct spray  
away from people.

**RESTRICTIONS:** Avoid excessive wetting of plas-  
tic, rubber and asphalt surfaces such as tiles  
and floor coverings. Small finger operated plas-  
tic attachment type sprayers may be damaged if  
allowed to remain in this insecticide for ex-  
tended periods.

**INDOOR USE:**

**ANTS, COCKROACHES, CRICKETS, SILVERFISH, SPIDERS,  
SCORPIONS, SAWTOOTHED GRAIN BEETLES (Exposed  
Stages), WATER BUGS:** Spray into cracks, crevices,  
around baseboards and other places where these  
insects hide. Apply behind and beneath cabinets,  
refrigerators, sinks, stoves and in and around  
waste containers: for ants: spray trails and  
places where ants enter premises. Repeat as  
needed. Do not spray foodstuffs or house plants.  
Remove pets and cover fish bowls before spraying.  
Do not allow children to contact treated sur-  
faces until surfaces are completely dry.

**BROWN DOG TICKS:** Spray pet sleeping quarters,  
around baseboards, window and door frames, wall  
cracks and local areas of floors. Repeat as  
needed. Fresh bedding should be provided after  
spraying. **DO NOT SPRAY ANIMALS.**

**OUTDOOR USE:**

**ANTS, CLOVER MITES, CRICKETS, EARWIGS, FLEAS,  
FLIES, MILLIPEDES, MOSQUITOES, SOWBUGS, BROWN  
DOG TICKS:** Spray infested areas thoroughly,  
including outside surfaces of screens, doors,  
window frames, foundations, patios and other  
places where insects may enter. For ants, spray  
hills and runways. Repeat as necessary. **DO NOT  
SPRAY VEGETATION.**

**ACCEPTED**

JUL 27 1981

Under Federal Insecticide,  
Fungicide, and Rodenticide Act,  
as amended, for the pesticide  
registered under  
EPA Reg. No. 4816-549

**DISPOSAL:**  
Do not reuse empty container. Wrap container and put in trash collection.

**PRECAUTIONARY STATEMENTS**  
**HAZARDS TO HUMANS & DOMESTIC ANIMALS**

**WARNING:**  
Causes skin irritation. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid breathing spray mist and provide adequate ventilation of area being treated. Wash thoroughly after using. Avoid contamination of food, utensils and food preparation areas.

BEST DOCUMENT AVAILABLE

**STATEMENT OF PRACTICAL TREATMENT**

If On Skin: Wash with plenty of soap and water. Get medical attention if irritation persists.  
If In Eyes: Flush with plenty of water. Get medical attention.  
If Swallowed: Drink glass of water. Do NOT induce vomiting, get medical attention.

**NOTE TO PHYSICIAN**

This product contains a cholinesterase inhibitor. Should signs of cholinesterase inhibition appear, atropine sulfate is antidotal.

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish and wildlife. Keep out of lakes, ponds or streams. Do not contaminate water by cleaning of equipment or disposal of wastes.

**PHYSICAL OR CHEMICAL HAZARDS**

Do not use or store near heat or open flame.  
Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
