

Mr. Joseph Conti  
 Roussel Uclaf  
 170 Beaver Brook Road  
 Lincoln Park, NJ 07035

revised  
 11/23/92

Dear Mr. Conti,

Subject: Amendment - Add Directions For Use in Factory Applied  
 Coatings For Insecticidal Treatment of Fabric  
 Permanone 40 MFG Concentrate  
 EPA Registration Number 16-552  
 Submissions Dated April 6, and September 28, 1992

The labeling referred to above, submitted on September 28, 1992 in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable. A stamped copy of the labeling is enclosed for your records.

Also enclosed for your information is a copy of the Health Effects Division - Chemical Coordination Branch's risk assessment for this additional use. The added cancer risk resulting from exposure to permethrin from use of Permanone 40 MFG Concentrate as a factory applied coating for insecticidal treatment of fabric is estimated to be  $1.3 \times 10^{-6}$ , which is acceptable since the Agency's threshold for carcinogenic risk assessments is  $1 \times 10^{-6}$ .

Sincerely,

George T. LaRocca  
 Product Manager (13)  
 Insecticide-Rodenticide Branch  
 Registration Division (H7505C)

Dear Mr. Conti,

Subject: Amendment - Add Directions For Use in Factory Applied  
Coatings For Insecticidal Treatment of Fabric  
Permanone 40 MFG Concentrate  
EPA Registration Number 4816-552  
Submissions Dated April 6, and September 28, 1992

The amendment referred to above, submitted on September 28, 1992 in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, § 3 (c)(7)(A), as amended, is acceptable provided that you:

1. Submit and/or cite all data or other material for registration/reregistration of your product under FIFRA section 3(c)(5) or FIFRA section 4 when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling change listed below before you release the product for shipment bearing the amended labeling:

Under Directions for Use, update the statement regarding manufacturing uses of the product as outlined in PR-Notice 91-8.

3. Submit 5 copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.
