Ms. Lucinda Taylor
Fairfield American Corporation
809 Harrison Street
Frenchtown, NJ 08825

Dear Ms. Taylor:

Subject: Amendment - Update Labeling
Permanone Technical Insecticide
EPA Registration No. 4816-559
Your Application Dated January 30, 1989

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act is acceptable provided that you make the labeling changes indicated below prior to release for shipment of product bearing the amended labeling.

1. The word "Caution" should immediately precede "Hazards to Humans and Domestic Animals." If the entire label is all front panel, it is not necessary to repeat the signal word under this heading.
2. Update the Environmental Hazards section as follows:

Environmental Hazards Statement

"This pesticide is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or public waters unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the Environmental Protection Agency.

CONCURRENCES

| SYMBOL | | | | | | | |
|---------|--|--|--|--|--|--|--|
| SURNAME | | | | | | | |
| DATE | | | | | | | |

3. The statement should read "This Material Requires Further Mixing Before Use."
4. On the front panel, add the statement "An insecticide for manufacturing/formulating use only."
5. Revise the pesticide disposal statement as follows:

Wastes resulting from the use of this product
may be disposed of at an approved waste disposal
facility.

Submit five (5) copies of your final printed labeling before you release the product for shipment.

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

George T. LaRocca
Product Manager (15)
Insecticide-Rodenticide Branch
Registration Division (H7505C)
