PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: Use in food processing plants should be confined to time periods when the plant is not in operation. Foods should be removed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. Avoid inhalation of spray mist. Avoid contact with skin or eyes.

STATEMENT OF PRACTICAL TREATMENT

- If swallowed** - Drink one or two glasses of water and induce vomiting by touching the back of the throat with finger. Repeat until vomit fluid is clear. Call a physician immediately. Do not induce vomiting or give anything by mouth to an unconscious person.
- If inhaled** - Remove victim to fresh air. Apply respiration if indicated.
- If in eyes** - Flush eyes for at least 15 minutes with water. Call a physician if irritation persists.

PHYSICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herein.

Equivalent to 3.2 (butylcarbityl)(6-propylpiperonyl) ether and 0.8 related compounds.

One 5 ounce aerosol can treats up to 1000 cubic feet

One 12 ounce aerosol can treats up to 12,000 cubic feet.

Pyrenone - Registered trademark of Fairfield American Corporation

How To Use:

Open any cabinet doors and drawers to allow maximum kill in all areas where insects can hide and breed. Close doors and windows and shut off fans and air conditioning to maximize killing power of fog. Remove pets and tightly cover or remove fish bowls or aquariums. Cover exposed foods, dishes or food handling equipment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. Put out all lights including pilot lights.

Directions:

SHAKE WELL JUST BEFORE USING. Place can on level raised surface such as stand or table, with protective covering underneath to prevent possible marring of surface. With can at arm's length, direct spray away from face. Depress tab until it clicks in locked position. Exit immediately. Keep area closed for 10 minutes. Do not re-occupy treated area and ventilate before reoccupying.

**KEEP OUT OF REACH OF CHILDREN.
CAUTION**

See side panel for additional precautionary statements.

EPA Reg. No. 4816-56; EPA Est. No. 272-NY 1
