DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SPACE SPRAY

For rapid control of *House Flies, Fruit Flies, Mosquitoes, Flying Moths and Gnats*: Close doors and windows and shut off ventilating systems. Apply using a good sprayer adjusted to deliver a fine mist. Direct spray toward upper portions of the enclosure filling the room with mist. Use 1/2 to 1 ounce per 1000 cubic feet of space.

To kill exposed stages of *Cockroaches, Ants, Spiders, Clover Mites, Cheese Mites, Confused Flour Beetles, Sawtoothed Grain Beetles, Red Flour Beetles, Rice Weevils, Granary Weevils and Grain Mites*: Treat as above using 2 to 3 ounces per 1000 cubic feet of space. Keep area closed for at least 15 minutes. Vacate treated area and ventilate before reoccupying. Repeat treatment when reinfestation occurs.

SURFACE SPRAY

To insure maximum control of the crawling insects named above, apply as a coarse mist directed toward insects, into cracks and crevices, along baseboards, around the base of machinery, containers of stored products and other areas where insects may hide. Spray any trails, nests and points of entry. Spray badly infested areas daily. In other areas, repeat treatment twice weekly or when reinfestation occurs.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE AND SPILL PROCEDURES: Store upright at room temperature. Avoid exposure to extreme temperature. In case of spill or leakage, soak up with an absorbent material such as sand, sawdust, earth, fuller's earth, etc. Dispose of with chemical waste.

PESTICIDE DISPOSAL: Pesticide, spray mixture or rinse water that cannot be used according to label instructions must be disposed of at or by an approved waste disposal facility.

CONTAINER DISPOSAL: Triple rinse (or equivalent) then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other approved State and local procedures.

CONTAINERS ONE GALLON AND SMALLER: Do not reuse container. Wrap container in several layers of newspaper and discard in trash.

CODE 72141

STATEMENT OF PRACTICE

IF SWALLOWED: Contact a physician immediately. Do not induce vomiting. May cause aspiration pneumonia.
IF INHALED: Remove affected person to fresh air. Apply artificial respiration if indicated.
IF ON SKIN: Remove contaminated clothing. Wash affected areas of skin with soap and water. Seek medical attention if irritation persists.
IF IN EYES: Flush with plenty of water. Seek medical attention if irritation persists.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS & DOMESTIC ANIMALS CAUTION

Harmful if swallowed. Avoid contact with clothing. Avoid breathing spray mist. Avoid contamination of feed and foodstuffs. The use of this product in food processing establishments during time periods when the plant is not in operation should be removed or covered to prevent contamination before treatment. Application directed towards stored food should be made toward containment of the food.

Food contact surfaces and equipment should be washed with an effective cleaning compound followed by a potable water rinse after treatment.

Facilities and equipment in federal and state poultry plants must be washed with an effective cleaning compound followed by a potable water rinse after treatment.

Remove pets, birds, and cover fish tanks after application.

ENVIRONMENTAL

This product is highly toxic to fish and aquatic life. Do not apply to water or wetlands (swamps, potholes). Drift from treated areas may harm organisms in adjacent aquatic sites. Do not apply to water when disposing of equipment.

Buyer assumes all risks of use, and that this product not in strict accordance with the label herewith.
