Keep Out Of Reach Of Children

CAUTION

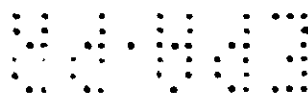

Read label for additional precautions.

EPA Reg. No. 4816-5-7

EPA Reg. No. 279-NY-1

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

DIRECTIONS

This product has been especially developed for use on horses. It provides a protective hair coating against flies while imparting a high sheen to the hair when brushed out. 1-2 ounces per head per day gives adequate protection. Apply by either soft cloth or fine mist spray.

USE AS A WIPE:

First, brush animal to remove dirt and dust. Moisten (but do not wet) the coat with dripping a soft cloth and brush the hair. It is best to apply the product to the hair growth. Give special attention to the legs, shoulders, flanks, and neck areas where flies most often rest.

Only a light application is required. Avoid using an excessive amount of product. Do not wet skin.

After application, brush out to roughen the hair and brighten the coat.

Repeat daily or as required.

USE AS A SPRAY:

This product may be applied as a fine mist spray to stable area and over and around stabled horses for fast paralysis and kill of flies. Do not wet horse's skin or exceed two ounces per application.

DISPOSAL

Do not reuse empty container. Wrap container and put in trash collection.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION

Harmful if swallowed. Keep out of reach of children. Remove or cover exposed foods before spraying. Do not apply to dairy animals.

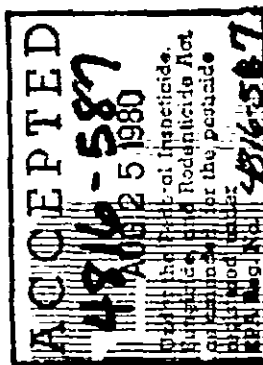

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Keep out of lake, streams or ponds. Do not apply where runoff is likely to occur. Do not contaminate water by cleaning of equipment or disposal of wastes.

Buyer assumes all risks of use, storage or handling of this product not in strict accordance with directions given herewith.
