Fungicide and Rodenticide Act as
amended, for the pesticide
registered under EPA Reg. No.

4816-635

DIRECTIONS FOR USE

2/3

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USING AND AT INTERVALS DURING PROLONGED USE

FOR PERSONAL USE - EXTERNAL ONLY

Head Lice and Nits:

Spray on scalp and hair. Rub in with fingers. Allow treatment to remain 10 minutes, but no longer. Then wash thoroughly with warm water and shampoo or soap. Dead lice and eggs may require removal with a fine comb. Do not exceed two consecutive applications within 24 hours.

Pubic (crab) Lice:

Spray affected parts and allow to dry. Wait 15 minutes and then wash with warm water and soap. Use a fine comb to remove dead lice and nits.

Body Lice:

Treat as for pubic lice. Also thoroughly treat clothing as directed below.

FOR USE IN INANIMATE SURFACES

Including garments, bedding, mattresses, furniture, floors and carpeting. Hold can upright with nozzle away from you. Press button and spray surface to be treated from a distance of 10 inches. First treat an inconspicuous area to test for possible staining or discoloration, inspect after drying, then proceed to spray the entire area to be treated. Treat each square foot for 3 seconds, directing the spray to moisten all infested surfaces.

In treating bedding, make sure the spray is directed into all corners of fitted sheets and blankets as well as the inside and outside of pillow cases. In treating garments and headwear, (including sports gear that may be passed from player to player) close attention should be given to seams, hems, cuffs, collars, and creases. After treatment, bedding and all garments must be either laundered in hot water or dry cleaned.

For mattresses, furniture and carpeting: Direct spray to moisten all folds, tucks, seams and crevices of infested areas. Allow the treated surfaces to dry completely before use.

STORAGE AND DISPOSAL

Store in a cool dry area. Do not transport or store below 32 F.

Wrap container in several layers of newspaper and dispose of in trash. Do not incinerate or puncture.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION

Harmful if swallowed. Use with adequate ventilation. Wash head or affected area with soap and water prior to application. Do not spray in area of eyes, nose, ears or mouth. If these areas are affected, spray liberally on clean, sterile cotton pads and carefully apply to these areas. If spray directly into eyes, wash with water, if irritation persists, consult a physician.

IMPORTANT: Should be used with caution by ragweed sensitized persons.

STATEMENT OF PRACTICAL TREATMENT

IF INHALED: Remove affected person to fresh air. Apply artificial respiration if indicated.

IF IN EYES: Flush with plenty of water. Contact a physician if irritation persists.

IF ON SKIN: Wash affected area immediately with soap and water. Get medical attention if irritation persists.

PHYSICAL AND CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130 F may cause bursting.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
