DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This concentrate is designed for use undiluted in ULV or mechanical aerosol sprayers. It can be diluted with oils and used in thermal or mechanical fogging equipment. The oil dilution also can be applied as a contact spray. For oil dilutions in food handling establishments, a deodorized petroleum oil which conforms with CFR21 especially section 172.884, is required.

Before application, remove plants and animals from area to be treated.

Do not apply in food processing plants while operations are underway.

UNDILUTED
SPACE SPRAY
