Ms. Sharon M. Johnston
 AgrEvo Environmental Health
 95 Chestnut Ridge Road
 Montvale, NJ 07645

Dear Ms. Johnston:

Subject: Revised Labeling to Comply with Silicon Dioxide/Silica
 Gel RED
 Double Action Flea and Tick Powder I
 EPA Registration Number 4816-693
 Your Letter Dated January 20, 1995

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable provided that you make the labeling changes indicated below prior to release for shipment of product bearing the amended labeling.

1. Delete the word **Natural Pyrethrum Formulation** from the label. Statements relative to the composition indirectly implying safety of a pesticide are unacceptable.
2. Add the qualifier "**when kept dry**" to the statement "Remains Active as Long as it is Visible on Surfaces **and when kept dry.**"
3. Under the Directions for Use, add the following directions to the pet application before the last sentence, "Repeat treatment if necessary.":

Take care not to get the powder in animal's eyes, nose or mouth. Individual ticks observed on the animal should be dusted thoroughly.

Submit two copies of your final printed labeling before you release the product for shipment. A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

BEST AVAILABLE COPY

George T. LaRocca
 Product Manager 13
 Insecticide-Rodenticide Branch
 Registration Division (7505C)

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMAN & DOMESTIC ANIMALS
CAUTION**

Do not treat puppies or kittens less than four weeks of age. Do not apply directly to genitalia. Avoid exposure of pets' eyes to this product.

Cover or remove fish aquaria in areas to be treated.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For best results, dust liberally over entire body. Beginning at head, rub powder into skin. Apply to feet, pads and between toes. Repeat treatment if necessary.

Apply liberally to pet bedding and surroundings including furniture, carpeting, baseboards, etc.

STORAGE & DISPOSAL

Store in original container in a cool dry place inaccessible to children and pets. Do not reuse empty container. Wrap container in several layers of newspaper and discard in trash.
