Dear Ms. Theodore:

Subject: Amendment Application - Label Change
Pyreperm Flea & Tick Spray
EPA Registration No. 4816-717
Your Submission Dated July 18, 1991

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records.

We have no objection to your request to add the following phrase to the precautionary statement on the label:

(except dogs being treated per label instructions)

Sincerely yours,

George T. LaRocca

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not use this product in or on electrical equipment.

SHAKE WELL BEFORE USING

TO CONTROL FLEAS AND TICKS ON DOGS FOR 14 DAYS:

Applied as a spray: Start spraying at the tail, moving the dispenser rapidly and making sure that the animal's entire body is treated, including the legs and underbody. Fluff the hair while spraying so that the spray will penetrate to the skin and thoroughly wet it. Do not spray into eyes or face. Avoid contact with genitalia.

Applied as a dip: Wet the dog with water before treatment. Sponge or pour PyraPerm on the dog until its fur and skin are thoroughly wet, making sure that the animal's entire body is treated, including the legs and underbody. Do not treat the dog's face. Avoid contact with genitalia.

TO CONTROL FLEAS AND TICKS ON PREMISES:

Apply as a direct spray to control accessible stages of fleas and ticks. Spray to lightly dampen absorbent surfaces or to the point of runoff on nonabsorbent surfaces. Thoroughly spray infested areas, pet beds and resting quarters, cracks and crevices, along baseboards, moldings and window and door frames as well as localized areas of floor and floor covering. Repeat as necessary.

TO CONTROL CRAWLING INSECTS:

Apply as a direct spray to control accessible stages of crawling insects including, but not limited to, Cockroaches, Ants, Fleas, Ticks, Spiders, Silverfish and Crickets. Spray to thoroughly wet exposed insects. Direct spray into hiding places, cracks and crevices, along baseboards and around door and window frames.

STORAGE AND DISPOSAL

CONTAINERS LARGER THAN ONE GALLON:

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE AND SPILL PROCEDURES : Store upright at room temperature. Avoid exposure to extreme temperatures. In case of spill or leakage, soak up with an absorbent material such as sand, sawdust, earth, fuller's earth, etc. Dispose of with chemical waste.

PESTICIDE DISPOSAL: Pesticide water that cannot be used according to label should be disposed of at or by an approved authority.

CONTAINER DISPOSAL: Trip to a recycling center for recycling or reconditioning of in a sanitary landfill, or by other approved procedures.

CONTAINERS ONE GALLON AND SMALLER

STORAGE : Store in original container, inaccessible to children and pets.

DISPOSAL : Do not reuse containers. Rinse with layers of newspaper and discard.

PRECAUTIONARY HAZARDS TO HUMANS

CAUTION

Harmful if swallowed. Harmful if inhaled. Causes eye injury or clothing. Avoid breathing spray or dust. Wash with soap and water after handling before reuse. Avoid contamination of food, feed, and animals. Remove pets (except dogs, birds, and birds, and cover fish aquaria). NOT FOR USE ON CATS.

STATEMENT OF PRAISE

IF SWALLOWED : Drink one glass of water to induce vomiting by touching the back of the throat. Repeat until vomit fluid is clear. Do not induce vomiting or give anything to an unconscious person.

IF INHALED : Remove affected person to fresh air. Artificial respiration if indicated.

IF ON SKIN : Remove contaminated clothing. Wash affected areas with soap and water. If irritation persists, consult a physician.

IF IN EYES : Flush eyes with water for 15 minutes. If irritation persists, consult a physician.

ENVIRONMENTAL

This product is toxic to fish, birds, and mammals. Do not contaminate water by cleaning of containers.

Buyer assumes all risks of use of this product not in strict accordance with label directions.
