d. Revise PESTICIDE DISPOSAL as follows:

"Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility."

- e. Under Environmental Hazards delete "Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters."
- 3. Your waiver request for the acute inhalation study has been granted based on the low possibility of significant exposure due to the use pattern, the overall low acute toxicity of the product and low inhalation toxicity of most of the ingredients. This data waiver applies only to the subject manufacturing use product, not to the end use products formulated with it.
- 4. Submit five copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.
