Household Crawling
MetrPerm Indoor Flying
Insect Killer ~~WEE~~ *N104*

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Roussel Uclaf Corporation
170 Beaver Brook Road
Lincoln Park, NJ 07035

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data or other material required for registration/reregistration of your product under FIFRA sec. 3(c)(5) or FIFRA sec. 4 when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling change listed below before you release the product for shipment:

- Add the phrase, "EPA Registration No. 4816-762."
- Delete "deer ticks." Approval of the claim is still pending. For more information see our Efficacy Review (dated December 12, 1992) faxed to you on December 16, 1992.
- Delete "Do not use in rooms/areas while occupied by patients, the elderly or infirm" and "Do not apply to classrooms when in use." This product is for household use only.

3. Submit five copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.
