This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data or other material required for registration/reregistration of your product under FIFRA sec. 3(c)(5) or FIFRA sec. 4 when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below before you release the product for shipment:

a. Add the phrase "EPA Registration No. 4816-767"

b. Begin the paragraph under "Precautionary Statements - Hazards to Humans and Domestic Animals" with the following text:
Harmful if inhaled. Avoid breathing vapor or spray mist. Remove contaminated clothing and wash before reuse.

c. A Statement of Practical Treatment must be added and the following phrase added under the Statement of Practical Treatment:

CONCURRENCES							
SYMBOL							
SURNAME	MORTS						
DATE							

If Inhaled: Remove victim to fresh air. If not breathing give artificial respiration, preferably mouth to mouth. Get medical attention.

d. Under "Directions for Use"

i. prior to.....Do not use in food/feed areasbegin the paragraph with the following sentence:

.....Do not apply directly to food.

ii. Insert the following after the non-food area paragraph.

..... Commercial Food/Feed areas where the product cannot be used include areas for receiving, serving storage, (Dry, Cold Frozen, Raw), packaging (cleaning, slicing, cooking, grinding), edible waste storage, enclosed processing systems (mills, dairies, edible oils, syrups).

iii. Food/feed processing plants can imply use in U.S. Department of Agriculture (USDA) Meat and Poultry Plants. Therefore, either add the statement "Not for Use in USDA Meat and Poultry Plants" or submit an application requesting use in these areas. If granted, you can then indicate on the label that the product can be used in these areas.

e. Under Environmental Hazards revise the last sentence to read....Do not contaminate water by disposal.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6 (e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy is enclosed for your records.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner
inconsistent with its labeling.

Do not use in food/feed areas of food/feed handling estab-
lishments, restaurants or other areas where food/feed is commer-
cially prepared or processed. Do not use in serving areas while
food is exposed or facility is in operation. Serving areas are areas
where prepared foods are served such as dining rooms but
excluding areas where foods may be prepared or held.

Nonfood areas are areas such as garbage rooms, lavatories, floor
drains (to sewers), entries and vestibules, offices, locker rooms,
machine rooms, boiler rooms, garages, mop closets and storage
(after canning or bottling).

Do not use in rooms/areas while occupied by patients, the elderly
or infirm. Do not apply to classrooms when in use.
