Manufactured In Texas

PALMER HOUSE CHEMICAL CORPORATION

Houston, Texas

Directions:

Maximum disinfecting and deodorizing action is achieved by applying the solution to a previously cleaned surface and allowing it to contact or remain on the surface for a minimum of 5 minutes.

To Disinfect & Deodorize

Lavatories, animal quarters, public buildings, etc.—

Dilute 1 part Pinemax to 100 parts water (1 1/3 oz. gal. water).

Clothing— 1/4 oz. Pinemax/gal. hot water in first rinse cycle-follow with at least an additional hot water rinse.

Toilet Bowls—Add 2 oz. undiluted Pinemax to Bowl.

To Clean

Floors, walls, etc.- use 2 oz. Pinemax gal. water.

To Degrease

Dampen cloth with Pinemax, wipe surface, let stand 5 minutes and rinse.
