Subject: Amended Reregistration Label
Product Name: Johnson Buggy Whip Airborne Bug Killer
EPA Registration Number: 4822-36
EPA Decision Numbers: 411949 and 410848

Dear Mr. McArthur:

The Agency, in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, has completed reviewing all of the information submitted with your application to support the reregistration of the above referenced product in connection with the pyrethrins and piperonyl butoxide (PBO) REDs, and has concluded that your submission is acceptable.

NOTE: This product is not being reregistered under sections 3(c)5 and 4(g) of FIFRA at this time.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on non-refillable containers. The code may appear either on the label or durably marked on the container itself, and can be added by non-notification per PRN 98-10.

Please note that the record for this product currently contains the Confidential Statements of Formulation (CSFs) listed below. Any previously dated CSFs are superseded.

- Basic CSF, dated 2/18/11
- Alternate CSF, dated 2/18/11
- Alternate CSF, dated 2/11/11

A copy of your label stamped "Accepted" is enclosed along with copies of the acute toxicity and product chemistry reviews completed for the subject product. Products shipped after 12 months from the date of this amendment or the next printing of the label whichever occurs first, must bear the new revised label. Your release for shipment of the product bearing the amended label constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e).

If you have any questions about this letter, please contact Jennifer Urbanski at 703-347-0156 or urbanski.jennifer@epa.gov.

Sincerely,

for Richard J. Gebken
Product Manager (10)
Insecticide Branch
Registration Division (7504P)

ACTIVE INGREDIENTS:

Pyrethrins.....	0.4%
Piperonyl butoxide*.....	2.0%
<u>INERT INGREDIENTS:.....</u>	<u>97.6%</u>
TOTAL.....	100.00%

(Butylcarbityl) (6-propylpiperonyl) ether and related compounds).
Contains Sodium Nitrite.

KEEP OUT OF REACH OF CHILDREN
CAUTION
(See additional precautions on back panel)

ACCEPTED
AUG 0 3 2011
Under the Federal Insecticide, Fungicide
and Rodenticide Act, as amended, for th
pesticide registered under:

JOHNSON BUGGY WHIP AIRBORNE
ANOTHER GREAT RAID INSECTICIDE.

EPA. Reg. No: 482236

Kills listed crawling and flying insects. Even kills resistant roaches and flies. Smells good, too. Don't waste Johnson's Buggy Whip. A little of this RAID product goes a long way! Not for use on plants.

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Use Restrictions

Do not allow adults, children, or pets to enter until vapors, mists, and aerosols have dispersed, and the treated area has been thoroughly ventilated and until sprays have dried. Do not remain in treated area. Exit area immediately and remain outside the treated area until aerosols, vapors, and/or mists have dispersed. Remove or cover exposed food and drinking water before application. Remove or cover dishes, utensils, food processing equipment, and food preparation surfaces, or wash them before use.

Use Directions: SHAKE BEFORE USING. To spray: Hold container upright. Point valve opening away from face and press button, keeping at least 3 feet from interior walls, fabrics, furniture and plants. Spraying closer may cause stains or may damage

54

certain floor or plastics. Keep room closed for 15 minutes. Do not use in serving area while food is exposed. Remove pets, birds, and cover and turn off fish aquariums before spraying. Do not apply this product in a way that will contact adults, children, or pets, either directly or through drift. All outdoor applications must be limited to spot or crack and crevice treatment only.

To kill flying insects: flies, mosquitoes, flying moths, gnats, wasps. With Johnson's Buggy Whip there is no need to spray directly at flying insects - the mist in the air will kill them. Close all doors and windows. Spray Buggy Whip up into the air with a sweeping motion.

To kill crawling insects: roaches, waterbugs, silverfish, crickets. Spray hiding places such as baseboards and floorboards, moist places, openings around sinks, drains and pipes, behind bookcases, cabinets and other storage areas. Repeat as needed.

To kill ants: Spray trails, hills, around windows and sills and openings around pipes and baseboards where ants crawl. Repeat as needed.

To kill spiders, centipedes, sow bugs: Spray webs and places where these pests crawl. Repeat as needed.

To kill carpet beetles: Hit these bugs directly with spray on sections of floor, baseboards, shelves and carpets. Repeat spraying as needed.

To kill bedbugs: Spray baseboards, moldings, floor boards. Spray mattresses, particularly around seams and tufts. Take beds apart and spray all joints. Repeat spraying as needed.

To kill fleas: Spray floors, floor coverings and sleeping quarters of pet. Repeat spraying as often as necessary. Do not spray pets.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Store in an area inaccessible to children.

PESTICIDE DISPOSAL AND CONTAINER HANDLING: Do not puncture or incinerate! Non-refillable container. Do not reuse or refill this container. If Empty: Place in trash or offer for recycling, if available. If partly filled: Call 1-800-529-3394 or your local solid waste agency for disposal instructions.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if absorbed through the skin. Avoid contact with skin, eyes or clothing. Causes moderate eye irritation. Do not apply to humans or animals

User Safety Recommendations: Users should wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Users

5
5

should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

[For Reviewer: Boxed and "bulleted" format will be used if label space permits; otherwise a paragraph format will be used.]

FIRST AID:

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For medical questions or emergencies, call 800-558-5252.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Environmental Hazards: This pesticide is toxic to aquatic organisms, including fish and invertebrates. Do not apply directly to or near water. Drift and runoff may be hazardous to fish in water adjacent to treated areas. Do not contaminate water when disposing of container. See Directions for Use for additional precautions and restrictions. This product is highly toxic to bees. Do not apply while bees are actively visiting the treatment area.

PHYSICAL OR CHEMICAL HAZARDS

Content under pressure. Do not use or store near heat or open flame. Never puncture or throw container into fire. Exposure to temperature above 120F may cause bursting.
