Mr Dan Hollas
Registration Specialist
S C Johnson & Son, Inc
1525 Howe Street
Racine, WI 53403-2236

**Subject Amended Labeling, Response to EPA Letter Dated May 4, 2012
RAID HOUSE & GARDEN BUG KILLER, EPA Reg No 4822-38
Your Submission Dated May 25, 2012**

Dear Mr Hollas

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable with the following label revision provision(s)

Labeling Comments Specific to Indoor/Outdoor Portions of Split Master Label

Optional Marketing Statements section comments, middle of page 1 of 6

1 Within the 16th optional marketing statement, replace the word "pyrethrin" with the word "pyrethrins "

Directions for Use, Use Restrictions subsection comments, top of page 2 of 6

2 Revise the existing "Use Restrictions " subsection heading by **bolding** and capitalizing the text for added prominence, so that it reads "**USE RESTRICTIONS** "

Storage and Disposal Statements section comments, bottom of page 2 of 6

3 Revise the "**PESTICIDE STORAGE** " subsection to read "**PESTICIDE STORAGE** Store this product in a cool, dry (preferably locked) place, away from heat or open flame, in an area that is inaccessible to children and animals "

Labeling Comments Specific to Indoor Only Portions of Split Master Label

Optional Marketing Statements section comments, middle of page 4 of 6

4 In order to maintain consistency with your intention for this split (indoor only) portion of the master label, within the 11th optional marketing statement, you must delete the word "— Outdoor(s) "

5 Within the 16th optional marketing statement, replace the word "pyrethrin" with the word "pyrethrins "

Directions for Use, Use Restrictions subsection comments, top of page 5 of 6

6 Delete the newly inserted use restriction "For indoor use only" and reinsert a slightly revised version of this new use restriction immediately following the "Use Restrictions " subsection heading which reads "This product is for indoor use only

7 Revise the existing "Use Restrictions " subsection heading by **bolding** and capitalizing the text for added prominence, so that it reads "**USE RESTRICTIONS** "

Storage and Disposal Statements section comments, top of page 6 of 6

8 Revise the "**PESTICIDE STORAGE** " subsection to read "**PESTICIDE STORAGE** Store this product in a cool, dry (preferably locked) place, away from heat or open flame, in an area that is inaccessible to children and animals "

Should S C Johnson & Son, Inc wish to add/retain a reference to the company's website on your label, please be aware that the website becomes labeling under FIFRA, and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under section 12(a)(1)(E) of FIFRA. 40 CFR §156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not be substantially different from those claims approved through the registration process. Therefore, should the Agency find, or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA-approved registration, the website will be referred to EPA's Office of Enforcement and Compliance Assurance (OECA). As an alternative, S C Johnson & Son, Inc may refer consumers to the company's phone number or e-mail address.

A copy of your label stamped "Accepted with Comments" is enclosed for your records. Please submit two (2) copies of the final printed labeling, incorporating the above changes, before releasing the product for shipment. If these conditions are not complied with, the registration will be subject to cancellation in accordance with section 6(e) of FIFRA. Your release for shipment of the product bearing amended labeling constitutes accepting of these conditions.

If you have any questions, please contact Mr. Carmen J. Rodia, Jr. at (703) 306-0327 or via e-mail at Rodia.Carmen@epa.gov

Sincerely yours,

Richard J. Gebken

In EPA Letter Dated
July 18, 2012
Under the Federal Insecticide, Fungicide
and Rodenticide Act, As amended, for the
pesticide Registered under EPA Reg No
4822-38

SC Johnson, A Family Company (since 1886)
Fisk Johnson [signature]

ACTIVE INGREDIENTS

Pyrethrins	0.25%
*Piperonyl Butoxide	1.05%
OTHER INGREDIENTS	98.70%

*(Butylcarbityl) (6-propylpiperonyl) ether and related compounds

Contains sodium nitrite

NET WEIGHT 9-17 5oz OZ

KEEP OUT OF REACH OF CHILDREN

CAUTION

SEE ADDITIONAL PRECAUTIONARY STATEMENTS ON BACK

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling

Use Restrictions Do not make applications during rain. Do not remain in treated area. Exit area immediately and remain outside the treated area until aerosols, vapors, and/or mists have dispersed. Do not allow adults, children, or pets to enter until vapors, mists, and aerosols have dispersed and the treated area has been thoroughly ventilated and until sprays have dried. Do not wet plants to point of runoff or drip. Remove and cover exposed food and drinking water before application. Remove or cover dishes, utensils, food processing equipment and food preparation surfaces, or wash them before use. Do not wet treated areas or articles to the point of run-off or drip. Do not use the treated article until spray has dried. All outdoor applications must be limited to spot or crack-and-crevice treatments only, except for the following permitted uses: - Treatment to soil or vegetation around structures - Application to lawns, turf and other vegetation - Applications for building foundations up to a maximum height of 3 feet. Other than applications to building foundations, all outdoor applications to impervious surfaces such as sidewalks, driveways, patios, porches and structural surfaces (such as windows, doors and eaves) are limited to spot and crack-and-crevice applications only.

SHAKE CAN BEFORE USING Hold container upright. **SPRAY** away from face. Do not apply this product in a way that will contact adults, children, or pets, either directly or through drift. Remove pets, birds, and cover fish aquariums before spraying.

To Kill CRAWLING BUGS Indoors To kill Roaches, Waterbugs, Crickets, Silverfish, Centipedes, Ticks, Boxelder Bugs, Earwigs, Caterpillars, Millipedes, Spiders, Sow Bugs. Hold dispenser about 12 inches from surface being sprayed. Spray thoroughly into hiding places such as cracks, moist areas, openings around pipes and sinks, under refrigerators, baseboards and storage areas.

To Kill ANTS (in the yard) (and) (around)(the house)(and)(structures) Spray trails, nests, doors and window frames where ants enter.

To Kill FLEAS (indoors)(and)(in pet areas) Spray floors, floor coverings and sleeping quarters of pets. Allow treated surfaces to dry prior to allowing pets to return. Apply once a day if necessary.

To Kill CARPET BEETLES in (your) rug(s) Spray top and underside of rug. Apply once a day if necessary.

To Kill FLYING BUGS (in) indoor(s) (spaces) To kill Flies and Mosquitoes. Close all doors and windows. Direct the spray mist to all parts of the room, especially windows and other light sources which attract these insects, staying about 3 feet from walls, fabrics and furniture. Fill room with mist then leave the treated areas. Keep room closed for at least 15 minutes. Thoroughly ventilate the room when treatment is completed. Spray directly on stray Wasps, Hornets, Gnats and small Flying Moths that enter buildings.

To Kill (Outdoor) (and) (GARDEN) BUGS (on ornamental plants) Product is for use on ornamental garden plants only. It is not for use on edible crops. To kill Aphids, Climbing Cut Worms, Gypsy Moth Larvae, Army Worms, Japanese Beetles, Leafhoppers, Red Spider Mites, exposed Thrips, Webworms and Whiteflies on ornamental garden plants: Salvias, Roses, Gladiolas, Azaleas, Dahlias, Chrysanthemums, Asters, Marigolds, Delphiniums, Petunias, Begonias, Shrubs, Butterfly Plants, Dieffenbachia, Dracaenas, Ferns, Ficus, Palms, Pepperonia, Philodendrons, Piggyback Plants, Pines, Pothos, Spider Plants, Succulents, Evergreens, Fushia, Geraniums, Irises, Wandering Jews, Zinnias, Peonies, Impatiens, Alyssum, African Violets and English Ivy. Spray when air is still and temperature is not above 90°F. Spray with slow sweeping motion 36 inches from all plants. Avoid wetting - a light spray kills pests effectively. Spray in short bursts. Repeat application from time to time as long as insects are present. Use with caution on tender foliage, young plants and new growth. For adult Whiteflies, Red Spider Mites, Gypsy Moths and Japanese Beetles, be sure to direct spray to contact these pests. Thoroughly cover the infested area. Apply once a day if necessary.

STORAGE AND DISPOSAL

PESTICIDE STORAGE Store in a cool dry place away from heat or open flame and inaccessible to children

PESTICIDE DISPOSAL AND CONTAINER HANDLING

Do Not Puncture or Incinerate!

If empty This container may be recycled in the few but growing number of communities where (steel) aerosol can recycling is available Before offering for recycling empty the container (can) by using the product according to the label If recycling is not available place in trash

If partially filled Call your local solid waste agency or 1-800-558-5252 for disposal instructions

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION Harmful if absorbed through the skin Keep out of reach of children Avoid contact with skin eyes and clothing Wash hands thoroughly with soap and water after handling

FIRST AID

Have the product container or label with you when calling a poison control center or doctor or going for treatment

IF ON SKIN OR CLOTHING Take off contaminated clothing Rinse skin immediately with plenty of water for 15-20 minutes Call a poison control center or doctor immediately for treatment advice

IF IN EYES Hold eye open and rinse slowly and gently with water for 15-20 minutes Remove contact lenses if present after the first 5 minutes then continue rinsing eye

Call a poison control center or doctor immediately for treatment advice

PHYSICAL OR CHEMICAL HAZARDS Contents under pressure Do not use or store near heat or flame Do not puncture or incinerate container Exposure to temperatures above 130°F may cause bursting

ENVIRONMENTAL HAZARDS This pesticide is toxic to aquatic organisms including fish and invertebrates Do not apply directly to or near water Drift and run-off may be hazardous to fish in water adjacent to treated area Do not contaminate water when disposing of equipment washwater or rinsate See Directions for Use for additional precautions and requirements This product is highly toxic to bees exposed to direct treatment on blooming crops or weeds Do not apply this product or allow it to drift to blooming crops or weeds while bees are actively visiting the treatment area

Contains no CFCs or other ozone depleting substances Federal regulations prohibit CFC propellants in aerosols
