Clean and disinfect washroom fixtures and surfaces with a spray and a wipe. Handy and convenient, Envy Instant Cleaner requires no bucket, no mixing, no rinsing. Active foam dissolves scum and soap film...wipes away dirt, grease and many stains... cleans easily those hard-to-reach corners that powdered cleansers often miss. Contains no abrasive, so won't scratch, leaves no gritty deposit to be rinsed away. Powerful germicide disinfects while you clean.

Use daily on: Wash Basins, Fixtures, Tubs, Sinks, Shower Doors, Dispensing Units, Shower Stalls, Urinals.

Spot clean as needed on any washable surface: Tile walls or floors, painted walls, chrome, vanity and counter tops.

Especially for hotels, motels, schools, hospitals, gas stations-all public washrooms.
