(Use New Formula Raid Flying Insect Killer in conjunction with Raid Fogger for particularly heavy flea infestations and for a complete flea and tick protection program.)

(Twist and snap off tab before spraying.) (Picture)

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**SHAKE BEFORE USE.** Hold container upright. Point valve away from face and press button. If used on light or delicate upholstery fabrics, test in an inconspicuous place prior to use.

**SPRAY  
RUGS AND  
UPHOLSTERY**

**SPRAY DOGS  
AND CATS**

**FLEAS AND TICKS ON SURFACES:** Remove soiled pet bedding and clean thoroughly or destroy. Spray sleeping quarters of pets, around baseboards, windows, door frames, wall cracks, and floors. Spray rugs and carpets where flea infestations are bad. Repeat as necessary. Put fresh bedding in pet quarters after spray has dried. For best results, pets should be treated before allowing them to return to treated area. If used on light or delicate fabrics, test in an inconspicuous place prior to use.

Use **NEW FORMULA RAID FLYING INSECT KILLER** in conjunction with Raid® Roach and Flea Fogger for particularly heavy flea infestations and for a complete flea and tick protection program.

**FLEAS AND TICKS ON PETS:** *Read entire label before each use. Use only on dogs and cats. Consult a veterinarian before using this product on debilitated, aged, pregnant, or nursing animals. Certain medications can interact with pesticides. Consult a veterinarian before using on medicated animals. Do not use on dogs or cats under 12 weeks.* To control fleas (and ticks) on (cats and) dogs; hold can upright about 10-12 inches from pet. Spray to lightly dampen the animal's coat up to the head. For long-haired pets ruffle the coat and spray against the lay of the hair, spraying directly behind the hand so that spray reaches the skin. Rub into animal's coat to assure even coverage. Use fingers to rub product around eyes, mouth and ears. Do not spray head, genital-anal area or open wounds. **DO NOT OVER APPLY.** *Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately* (For best results in controlling tick infestations, spray ticks directly.)

**ROACHES, SILVERFISH CRICKETS:**

Spray hiding places such as baseboards and pipes, behind bookcases, cabinets and other storage areas hitting as many insects as possible.

**STORAGE AND DISPOSAL**

**STORAGE:** Store in area inaccessible to children.

**DISPOSAL:** Do Not Puncture or Incinerate!

If empty: This container may be recycled in the few but growing number of communities where steel aerosol can recycling is available. If recycling is not available place in trash.

If partially filled: Call your local solid waste agency or 1-800-529-3394 for disposal instructions. Never place unused product down any indoor or outdoor drain.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** Harmful if absorbed through the skin. Keep out of reach of children. Avoid contact with skin, eyes, and clothing. Do not remain in enclosed areas after use. Wash hands thoroughly with soap and water after handling and after treating pets. Ventilate enclosed areas before returning. Avoid contamination of food and foodstuffs. Cover and turn off fish aquariums. When spraying rooms, rugs and carpets, remove plants, pets, and birds.

**FIRST AID**

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center, or doctor or going for treatment.

**PHYSICAL OR CHEMICAL HAZARDS:** Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F. may cause bursting.

Contains no CFCs or other ozone depleting substances. Federal regulations prohibit CFC propellants in aerosols. (symbol)
