Notification of Minor Claims Revisions

This is to notify the Agency that we are adding two sets of parentheses to our currently approved label in order to support the claim "**Kills Fleas on Dogs and Cats.**" The parentheses are found around the word "dead" in the second claim and around the words "In your home" in the fourth claim, to accommodate the combination of these two claims into the desired claim.

This notification is consistent with the provisions of PR Notice 98-10 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

If you have any questions concerning this submission or if there is any further information I may provide, please call me at 262-260-2405.
