FLYING INSECT KILLER

Kills Flies So Fast You Can See Them Fall!

For use throughout the home including: kitchens, bathrooms, bedrooms,
basements, garages, attics, and around garbage cans, food processing
plants, restaurants and other food handling establishments.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this
product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USING: Hold container upright. Point spray opening
away from face and press button.

FLIES, MOSQUITOES, SMALL FLYING MOTHS, GNATS: Most effective when
sprayed directly on flies. You can clear entire room in minutes by

2/2

spraying upwards in sweeping movement (4 seconds for average room of 1000 cubic feet) staying about 3 feet from walls, fabrics and furniture. Keep doors and windows closed for about 15 minutes. So not remain in treated area. Ventilate after treatment.

ROACHES, WATERBUGS, SILVERFISH, CRICKETS, ANTS, SOWBUGS: While this product is primarily a flying insect killer, tests prove that it is effective when spraying directly on these crawling insects. Spray in places where crawling insects are known to crawl or hide. Spray insects directly when possible. Repeat as necessary.

STORAGE AND DISPOSAL STATEMENT

STORAGE: Store in an area inaccessible to children.

DISPOSAL: Wrap container securely in paper and discard in trash. Do not puncture or incinerate.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION: Harmful if absorbed through the skin. Avoid breathing spray mist. Keep out of reach of children. Avoid contact with skin, eyes and clothing. Do not remain in enclosed areas after use. Ventilate enclosed areas before returning. Avoid contamination of food and foodstuffs. Do not use in edible products areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Remove plants, pets, and birds before using. Cover and turn off fish aquariums. Wash hands thoroughly with soap and water after handling.

STATEMENT OF PRACTICAL TREATMENT:

If on skin: remove with soap and water. If irritation persists, seek medical attention.

If in inhaled: Remove to fresh air. Apply artificial respiration if indicated.

PHYSICAL OR CHEMICAL HAZARDS:

FLAMMABLE: Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause bursting.
