

Glade spray disinfectant

KILLS ODORS

Spray in the air to eliminate odors and leave a clean, fresh scent. Doesn't just cover up odors, but destroys many odor-causing germs on surfaces. Eliminates cooking, bathroom and smoke odors. Refreshens mattresses, pillows and towels.

SANITIZES AIR—REDUCES AIRBORNE GERMS

Spray in the air to effectively reduce the number of airborne germs such as dangerous staph and strep. To sanitize air, point upward and spray around average to large rooms for 15 to 20 seconds, less in smaller rooms.

DISINFECTS SURFACES

- Kills influenza virus on environmental surfaces
- Kills deadly staph and strep germs
- Prevents mold and mildew

Spray regularly in shower stalls, sinks, bathtubs, toilets, hampers, closets, animal areas, diaper pails, garbage cans—any place where germs are a problem. To prevent mildew, spray weekly or whenever new mildew growth appears. Penetrates places hard to reach with liquid disinfectants. To disinfect surfaces, hold can upright 6" to 8" from surface and spray until covered with mist.

CAUTION: FLAMMABLE, DO NOT USE NEAR FIRE OR FLAME
Don't spray in face, minimize inhalation. Avoid contact with food and food utensils. Contents under pressure. Do not set on stove or radiator or keep where temperature will exceed 120°F. as container may burst. Do not puncture or throw in fire. Do not spray on lacquered surfaces.

Active Ingredients: ethyl alcohol, 37.00%; Triethylene glycol, 8.00%; n-alkyl (60% C14, 30% C16, 5% C12, 5% C18) dimethyl benzyl ammonium chloride, 0.05%; n-alkyl (50% C12, 30% C14, 17% C16, 3% C18) dimethyl ethylbenzyl ammonium chloride, 0.05%.

Inert Ingredients: 54.90%.
