

PREVENTS AND KILLS BUGS

PREVENTS AND KILLS BUGS

16 FL. OZ. (1 PT.)

CAUTION: KEEP OUT OF REACH OF CHILDREN.

(See directions and cautions on back.)

### RAID LIQUID ANT AND ROACH KILLER

Do not spray near open flame. Do not smoke while using.

- Kills insects on contact
- Keeps on killing with residual action even after it dries
- Penetrating vapor reaches bugs through cracks and crevices and kills them where they hide
- Kills even resistant roaches

NOT A SPACE SPRAY—APPLY AS A SURFACE SPRAY ONLY  
DIRECTIONS FOR USE

Point spray dispenser toward surface to be sprayed and press spray dispenser firmly. Hold container about 12" from the surface being sprayed. Spray until surfaces are wet. Avoid excessive wetting of asphalt tile, rubber and plastic materials. This product is formulated as a coarse, wet spray capable of producing an insecticidally active residue. ANTS Apply to ant trails; also around doors, windows and at other points where ants enter house. Repeat as necessary.

ROACHES, WATERBUGS Spray until wet in cracks, around baseboards and other hiding places. When bugs are driven out, kill directly. Repeat as necessary.

For Silverfish, Crickets, and Spiders, spray areas infested by these pests. Repeat as necessary.

CAUTION: Harmful if swallowed, inhaled or absorbed through skin. If swallowed, get immediate medical attention -- Note to Physician: Atropine is antidotal and should be administered only after symptoms appear. Avoid breathing spray mist. Do not apply to humans. Avoid contact with skin, eyes or clothing. Wash hands thoroughly with soap and water after use, and before eating or smoking. Do not smoke while using. Keep out of reach of children; do not allow children in treated areas until dry.

For use: Do not use in children's play areas, bedrooms, or in other occupied areas of the home. For use in unoccupied areas, provide adequate ventilation of area being treated. Do not re-occupy treated areas until dry. Do not apply to fish tanks, aquariums, or other fish tanks when spraying. Do not use on wet surfaces until dry.

#### CAUTION: COMBUSTIBLE MIXTURE

ACTIVE INGREDIENTS: o-Isopropoxyphenyl methylcarbamate 0.665%; 2,2-dichlorovinyl dimethyl phosphate (DDVP) 0.186% and 0.014% related compounds; Petroleum distillate 89.1%
