Marketing Claims section comment(s):

1. In the 3rd and 5th marketing claims, delete the words "long lasting" since this claim is not supported by efficacy (product performance) data.
2. In the 12th and 13th marketing claims, replace the word "carry" with the word "transmit."
3. In the 14th marketing claim, replace the word "carry" with the word "transmit" and delete Japanese, Venezuelan equine and Murray Valley encephalitis since these diseases do not occur within North America.
4. Delete the 15th marketing claim since Ross River Fever, Barmah Forest Disease, Dengue Fever, Yellow Fever and Rift Valley Fever do not occur within North America.
5. In the 16th marketing claim, replace the word "carry" with the word "transmit" and delete European Tick Borne encephalitis since this disease does not occur within North America.
6. Delete the 17th marketing claim since Onchocerciasis does not occur within North America.
7. Delete all references to the 6-hour repellency duration claim. This claim is not supported by efficacy (product performance) data.

Ingredient Statement section comment(s):

8. Replace this section with:

ACTIVE INGREDIENT:	
DEET.....	20.00%
OTHER INGREDIENTS.....	80.00%
TOTAL	100.00%

Precautionary Statements section. Hazards to Humans and Domestic Animals subsection comment(s):

9. As required by PR Notice 2001-3, replace this section with: "Harmful if swallowed or inhaled. Causes moderate eye irritation. Avoid contact with eyes. Avoid breathing spray mist. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse."

First Aid Statement comment(s):

10. The First Aid Statement must be placed within a solid text box to increase its prominence. Replace this section with:

FIRST AID	
If Swallowed:	<ul style="list-style-type: none"> • Call a poison control center or doctor immediately for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by a poison control center or doctor. • Do not give anything to an unconscious person.
If in Eyes:	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. • Call a poison control center or doctor for further treatment advice.
<p>Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For more information on this pesticide product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-xxx-xxxx or the National Pesticide Information Center at 1-800-858-7378.¹</p>	

Physical & Chemical Hazards section comment(s):

11. Replace this section with: "Flammable. Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 120° F may cause bursting."

¹ Please note that the "1-800-xxx-xxxx" must be substituted with a valid phone number that is available twenty-four (24) hours per day, seven (7) days per week for answering and responding to any medical emergencies or health concerns.

Directions for Use section comment(s):

12. The statement "Read and follow all directions and precautions on this product label." immediately below the statement "It is a violation of Federal law ..." should be revised to read: "**READ AND FOLLOW ALL DIRECTIONS AND PRECAUTIONS ON THIS PRODUCT LABEL.**" This revised line of text should be CAPITALIZED and bolded to increase its prominence.
13. As required by PR Notice 2001-3, replace paragraphs 2, 3 and 4 with:

"Hold container upright about 6 to 8 inches from skin or clothing and spray with a slow sweeping motion. **DO NOT** spray in enclosed areas. Avoid breathing a spray product and **DO NOT** use it near food. **DO NOT** use as a space spray. Spray and spread evenly with your hand to moisten all exposed skin. Use just enough repellent to cover exposed skin and/or clothing. Heavy application and saturation is unnecessary for effectiveness. If biting insects do not respond to a thin film of repellent, apply a bit more. Never use repellents over cuts, wounds or irritated skin. Repellents should be applied only to exposed skin and/or clothing as directed on this product label. After returning indoors, wash treated skin with soap and water or bathe. This is particularly important when repellents are used repeatedly in a day or on consecutive days. Wash treated clothing before wearing it again. Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin and call your local poison control center. If you go to a doctor, take this repellent product with you.

TO APPLY TO FACE: When using sprays, **DO NOT** spray directly into face; spray on hands first and then apply to face. **DO NOT** apply near eyes and mouth, and apply sparingly around ears. **DO NOT** allow children to handle this product, and **DO NOT** apply to children's hands. When using on children, apply to your own hands and then put it on the child.

WORKS ON CLOTHING TOO: Do not use under clothing. Apply to clothing such as shirts, pants, hat and socks. For ticks and chiggers also apply to shirt, pant cuffs, socks and around other openings in outer clothing. NOTE: Will not damage cotton, wool or nylon. **DO NOT** apply on or near acetate, rayon, Spandex or other synthetic fabrics, nylon furniture, plastics (such as eyeglasses and watch crystals), leather and painted or varnished surfaces (including automobiles)."

Storage and Disposal Statement section comment(s):

14. The Storage and Disposal Statement must be placed within a solid text box to increase its prominence. Within the text box, the Storage and Disposal heading must be placed on the top and in a central position above the Storage and Disposal Statement.
15. Replace this section with:

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.
Pesticide Storage: Store this product in a cool and dry place. Keep out of reach of children.
Pesticide Disposal: Do not puncture or incinerate!
If empty: Place in trash or offer for recycling if available. **If partially filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

To be eligible for reregistration, aerosol and pump spray formulations must be packaged in containers utilizing a concave trigger to help aim product or other comparable mechanism that will ensure that the product will not be inadvertently sprayed in the eyes.

S.C. Johnson & Son, Inc. should note that the Agency is in the process of developing and improving the current Efficacy Assessment Guidelines for repellent products. The Agency intends to defer the determination of any related efficacy data requirements supporting the claims that may appear on this label until these Efficacy Assessment Guidelines are complete. When the guidelines are finalized, the Agency expects to issue a Data Call-In to address the revised guidelines to all registrants with registrations for personal repellent products that have not previously submitted efficacy data sufficiently consistent with the revised guidelines.

A copy of your label stamped "Accepted with Comments" for this product is enclosed for your records. Please submit two (2) copies of the final printed labeling, incorporating the above changes, before releasing the product for shipment. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing amended labeling constitutes accepting of these conditions.

If you have any questions about this label review, please contact Mr. Carmen Rodia at (703) 306-0327 or via e-mail at Rodia.Carmen@epa.gov.

HAZARDS TO HUMANS - CAUTION: Harmful if swallowed. Causes moderate eye irritation. Avoid contact with eyes. Use of this product may cause skin reactions in rare cases. Wash treated clothing before wearing it again. Wash thoroughly with soap and water after handling.

ACCEPTED
with COMMENTS
In EPA Letter Dated
January 23, 2008
 Under the Federal Insecticide
 Fungicide, and Rodenticide Act,
 as amended, for the pesticide
 registered under EPA Reg. No.
4822-119

FIRST AID

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If swallowed: Call poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting. Do not give anything by mouth to an unconscious person.

Skin: If you suspect a reaction to this product, discontinue use, take off contaminated clothing, wash treated skin and call a poison control center or doctor for treatment advice.

PHYSICAL & CHEMICAL HAZARDS - FLAMMABLE: Contents under pressure. Do not use near heat, sparks or open flame. Do not puncture or incinerate containers. Exposure to temperature above 120°F may cause bursting. Keep treated surfaces away from fire or flame until dry.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **Read and follow all directions and precautions on this product label.**

Hold container 6 to 8 inches from skin or clothing and spray with a slow sweeping motion. **Do not apply over cuts, wounds, irritated or sunburned skin. Do not spray in enclosed areas. Use just enough repellent to cover exposed skin and/or clothing. Avoid over-application of this product.** Frequent reapplication and saturation are unnecessary. **Do not allow children to handle this product.** After returning indoors, wash treated skin with soap and water. **FOR MAXIMUM PROTECTION:** Spread evenly with hands to moisten all exposed skin.

TO APPLY TO FACE: *Spray palm of hand first and then apply sparingly and avoid eyes. Do not spray directly onto face. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply to children's hands. When using on children, apply to your own hands and then put it on the child.*

WORKS ON CLOTHING TOO: Do not use under clothing. Spray shirts, pants, socks, and hats. For ticks and chiggers also spray cuffs, socks and around other openings in outer clothing. Will not damage cotton, wool or nylon. Do not apply on or near: acetate, rayon, spandex or other synthetics (other than nylon), furniture, plastics, watch crystals, leather and painted or varnished surfaces including automobiles.

STORAGE: Store away from heat or flame in an area inaccessible to children.

DISPOSAL: *Do not puncture or incinerate!*

If empty: This container may be recycled in the few but growing number of communities where aerosol can recycling is available. Before offering for recycling, empty the container by using the product according to the label. If recycling is not available, place in trash.
