FOAM

Insect Killer

**ATTACHES TO HOSE
KILLS INSECTS ON TREES
SHRUBS AND FLOWERS**

4882-122

A unique way to kill insects (see chart) on shrubs, evergreens, trees, and flowers. Yard Master attaches to any garden hose. Its foam tracer shows where you have sprayed to insure complete coverage. No mixing no measuring—Yard Master is ready to use.

DIRECTIONS: HOW TO OPERATE

1. Remove spray head. Turn to the side while safety lock is engaged.

2. Tighten the head to the illustration.

3. Screw can onto spray head but stop after 1st click. Turn on water. To start foam tighten can snugly. To stop foam loosen can until foam stops.

NOTE: When finished remove can from spray head before turning off water.

DIRECTIONS: HOW TO USE—Spray plants evenly with foam tracer. Apply to both sides of leaves and other areas of plants where insects are suspected. For dense evergreens and shrubs make sure spray reaches interior leaves and branches. Application will be more effective when air is calm. Do not spray when temperature is over 85°F.

Avoid spilling concentrated foam on grass or other plants. If spillage occurs, flush thoroughly with water.

PROBLEM AREAS	PESTS	NOTES
Roses and Flowers, Lettuce, Beans, Eggplant, Okra, Squash, Tomatoes, Cabbages, Delphiniums, Gladioli, Iris, Marigolds, Petunias, Roses, Salvia and Snapdragon.	Non-waxy Aphids, Mites, Leafhoppers and Exposed Thrips	Spray plants leaving a uniform light trace of foam, making sure to treat underside of leaves. Repeat application every 7 days until desired control is achieved.
Trees and Shrubs, Evergreens, and deciduous shrubs.	Non-waxy Aphids, Mites, Leafminers, Saw Caterpillars, Fall Webworms.	Treat leaves and branches leaving a light trace of foam. Try to penetrate dense foliage. Repeat application every 7 days until desired control is achieved.
Nuisance Pests in Outside Areas.	Ants	Apply, hitting as many as possible. Spray trails and nests. Repeat as necessary.

CAUTION: Avoid spraying prepared foodstuffs. Avoid contact with skin, eyes, clothing. Keep out of reach of children.

WARNING: Contents under pressure. Do not puncture. Do not use or store on, near heat or open flame. Exposure to temperatures above 120°F. may cause bursting. Never throw container into fire or incinerator.

ACTIVE INGREDIENTS: 0.37% (S)-Benzyl-3-furylmethyl 2,2-dimethyl-3-(2-methylprop-1-enyl)cyclopropane carboxylate and 0.05% related compounds; 0.49% aromatic petroleum hydrocarbons.
*Cis:trans isomer ratio: Max. 32% (±) cis and Min. 70% (±) trans.
INERT INGREDIENTS: 99.09%
