BACK LABEL

Raid® Aqueous Ant & Roach Killer

New Raid® Aqueous Ant & Roach Killer traps and kills roaches instantly. Just aim and spray. The white foam traps and paralyzes both small and large roaches, stopping them dead in their tracks. The water-based foam quickly disappears, leaving no oily residue and only a clean, pleasant scent behind.

PICTURE CAPTION #1: Twist and snap off tab before spraying.

DIRECTIONS FOR USE: It is a violation of federal law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USING. Hold container upright about 12"-18" from insect. Point spray opening towards insect and press actuator. Do not spray up into air. Wait at least one minute for foam to disappear, then dispose of insect.

FOR LARGE ROACHES, WATERBUGS: For best results, continue to spray until insect is completely covered with foam to prevent escape. For long-lasting control, spray in cracks and around baseboards and other hiding places.

FOR SMALL ROACHES, ANTS, SILVERFISH, CRICKETS, SPIDERS, EARWIGS, TICKS, AND OTHER CRAWLING INSECTS: Spray foam directly at insect. Cover completely for best results. For long-lasting control, apply to ant trails, also around doors, windows and wherever crawling insects enter house.

FLEAS: Remove soiled pet bedding and clean thoroughly or destroy. Spray sleeping quarters of pets, around baseboards, windows, door frames, wall cracks, and floors. Spray localized areas of floor and floor coverings. Spray surfaces to slight dampness. Repeat as necessary. Do not spray animals. Put fresh bedding in pet's quarters after spray has dried.

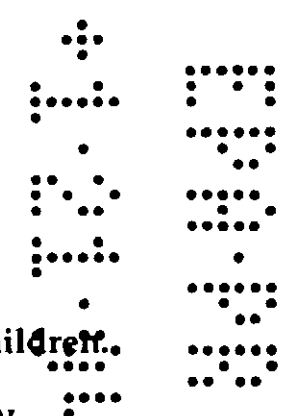

CARPET BEETLES: Make localized application to areas of the floor and baseboards. Spray directly into cracks and under carpets where insects may be found. Hit as many insects as possible. Repeat as necessary.

PICTURE #2 CAPTION: For best results, continue to spray until insect is completely covered with foam.

PICTURE #3 CAPTION: After foam has disappeared, wipe up water with paper towel and throw insect in trash.

PICTURE #4 CAPTION: Spot spray rugs & carpet.

PICTURE #5 CAPTION: Spray pet bedding.

STORAGE: Store away from heat or open flames in an area inaccessible to children.

DISPOSAL: Do not puncture or incinerate. Do not reuse empty container. Wrap container and put in trash collection.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: Harmful if swallowed, inhaled or absorbed through skin. If swallowed, get immediate medical attention - Note to physician: Atropine is antidotal and should be administered only after symptoms appear. Avoid breathing spray mist. Do not apply to humans. **AVOID** contact with skin, eyes or clothing. Wash hands thoroughly with soap and water after use and before eating or smoking. Do not smoke while using. Keep out of reach of children, do not allow children in treated areas until dry. Do not use in edible products areas of food processing plants, restaurants, or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed. Remove birds and cover fish bowls when spraying. Do not allow pets on treated areas until dry. Do not spray on plants or shrubbery.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED-Drink one or two glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person. Get medical attention immediately.

IF ON SKIN-Wash promptly with soap and water. Rinse thoroughly.

IF IN EYES-Rinse eyes for at least 15 minutes with water and call a physician immediately.

PHYSICAL OR CHEMICAL HAZARDS

Foam can ignite. Keep away from sparks, pilot lights, and other flames, both during use and after use, until foam disappears. Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 120°F. may cause bursting. Do not use on copper or brass.

Contains no CFCs or other ozone depleting substances. Federal regulations prohibit CFC propellants in aerosols.

Johnson and Raid® are Trademarks.
