BACK PANEL (Shelf Carton)

JOHNSON BUGGY WHIP
DUAL ACTION ROACH BAIT

- Kills Roaches
 - Kills The Eggs They Carry
- "Roaches crawl in to eat, crawl away to die"

Kills thousands of roaches
Clean and Odorless

No Bait Shyness
No Spill No Mess

Unique Dual Action: Adult and young roaches eat the bait -- where one meal kills. Females pass a lethal dose of the insecticide to their unborn-- which are killed before they hatch.

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

DO NOT REMOVE CONTAINERS FROM SHELF CARTON UNTIL READY TO USE.

For Household Use. Remove baits from tray: while holding tray, place both thumbs on label of bait. Push out bait.

Use the Baits on the floor or stick them in out-of-way places using the tapes provided inside the shelf carton. Place them near walls, on shelves, under sinks, refrigerators and in storage areas where roaches are seen. Use 4 - 6 Baits per 100 square feet of surface to be treated, more if infestation is great. Replace as necessary to maintain control.

STORAGE AND DISPOSAL STATEMENTS

STORAGE: Store in an area inaccessible to children.

DISPOSAL: Wrap container and put in trash collection.

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: May be harmful if swallowed. IF SWALLOWED, get immediate medical attention. Note to Physicians: Atropine is antidotal and should be administered only if symptoms appear. Chlorpyrifos is a cholinesterase inhibitor.

Keep out of reach of children. Do not place bait on surfaces where food is being prepared or on utensils that are used for food preparation. Do not store near or contaminate food. Do not remove bait from container.
