PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 120 F. may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Shake well before using.

HOLD AS UPRIGHT AS POSSIBLE WHEN SPRAYING.

Point spray nozzle toward surface to be sprayed and press button firmly. Hold container about 18" from surface being sprayed. Spray until surface is wet.

ROACHES, WATERBUGS: Spray until wet in cracks around baseboards and other hiding places. When bugs are driven out, spray directly. Repeat as necessary.

ANTS: Apply to ant trails; also around doors, windows, and wherever ants enter house. Repeat as necessary.

FLEAS: Apply to infested areas such as pet bedding and resting quarters, around baseboards, door frames and wall cracks. Spray surfaces until wet. Old, soiled bedding of pets should be removed and replaced with clean, fresh bedding after spray has been allowed to dry. Do not spray directly on animal. Repeat as necessary. For best results pets should be treated with a flea control product, registered for animal application, to control the source of the infestation.

SILVERFISH, CRICKETS, MILLIPEDES, CENTIPEDES, SPIDERS: Spray areas infested by these pests. Repeat as necessary.

DISPOSAL: Do not reuse container. Wrap container and put in glass collection.
