BUG KILLER**

Formula 8

- New fresh garden fragrance.
- New country garden fragrance.
- New garden fresh scent
- New herbal garden fragrance.

To spray remove tab on front of cap.

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

SHAKE BEFORE USING:

Holding container as upright as possible, point actuator opening away from face and push button.

TO KILL HOUSEHOLD PESTS

FOR FLYING INSECTS:

To kill houseflies, mosquitoes, small flying moths, gnats. Close all doors and windows. Point nozzle upward. Direct spray mist to all parts of the room especially windows and other light sources which attract these insects. Fill room with mist then leave the treated areas. Keep the room closed for at least 15 minutes. Ventilate the room when treatment is completed.

To Kill Wasps: Applications should be made in late evening when insects are at rest. Spray liberally into hiding and breeding places containing as many insects as possible. Repeat as necessary. Spray directly at stray wasps that enter buildings.

FOR CRAWLING INSECTS:

To kill roaches, waterbugs, crickets, silverfish, spiders, sow bugs, millipedes. Hold dispenser about 12 inches from surface being sprayed. Spray thoroughly into hiding places such as cracks, crevices, moist areas, openings around pipes, and sinks, under refrigerators, baseboards, and storage areas. Spray directly on insects where possible.

Carpet Beetles: Spray top and underside of rugs. Repeat as necessary.

Ants: Spray trails, nest, doors, and window frames. Spray on ants where possible. Repeat as necessary.

Fleas: Spray floors, floor covering and sleeping quarters of pets. Repeat as necessary.

TO KILL GARDEN PESTS & PROTECT ORNAMENTAL PLANTS

(Listed on Front Panel)

Spray garden plants when air is still and temperature in not above 90 F.

Spray with a slow sweeping motion about 36 inches from all plants. Avoid wetting -- a light spray kills pests effectively. Spray in short bursts. Repeat application from time to time as long as insects are present.

Use with caution on tender foilage, young plants and new growth.

For adult Whiteflies, Spider Mites, and Gypsy Moth Larvae, be sure to direct spray to contact these pests. Thoroughly cover the infested area. Repeat applications as necessary.

DISPOSAL:

Do not re-use empty container, wrap container and put in trash collection.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION

Harmful if swallowed. Avoid breathing spray mist. Avoid contact with eyes, skin or clothing. In case of contact immediately flush eyes and skin with plenty of water. Get medical attention if irritation persists. Do not remain in enclosed areas after use. Ventilate enclosed areas before returning. Avoid contamination of food and foodstuffs. Remove pets, birds, and cover

fish aquariums before spraying.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130 F. may cause bursting.
