## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**SHAKE BEFORE USING:** Lift hinged tab at end of nozzle to expose spray tip. Bend tab completely back and snap in place on sprayer top. To operate sprayer, squeeze trigger firmly. Several pumps may be required to prime the sprayer before any liquid is dispensed. Hold container about 12 inches from surface being sprayed. Spray until surfaces are slightly wet. For storage reseal trigger by replacing tab closure over spray nozzle.

(ALTERNATE LABEL INSTRUCTIONS--To operate, turn sprayer nozzle to stream or spray position and squeeze trigger firmly. Several pumps may be required to prime the sprayer before any liquid is dispensed. Hold container about 12 inches from surfaced being sprayed. Spray until surfaces are slightly wet. For storage, turn to off position.)

**ROACHES, WATERBUGS:** Spray until wet in cracks, around baseboards, behind and beneath cabinets, refrigerators, sinks stoves, around plumbing, and other localized areas infested with insects. Repeat as necessary.

**FLEAS:** Remove soiled pet bedding and clean thoroughly or destroy. Spray sleeping quarters of pests, around baseboards, windows, door frames and wall cracks. Spray surfaces until wet. Repeat as necessary. Do not spray animals. Put fresh bedding in pet quarters after spray has dried. For best results, dog and cats should be treated with a registered flea control product before allowing them to enter the treated areas.

**ANTS:** Spray until surface is wet, applying to ant trails, around doors and window frames and wherever ants enter the house. Repeat as necessary.

**SILVERFISH, CRICKETS, MILLIPEDES, CENTIPEDES, SPIDERS:** Spray localized areas infested by these pests. Spray until surfaces are wet, particularly in cracks, around baseboards, windows and doors, behind and beneath cabinets, around plumbing and in crawl spaces. Spray pests directly wherever possible.

Repeat as necessary.

Application of the product in indoor residential settings other than as a spot treatment and/or crack and crevice is not permitted.

STORAGE: Store in an area inaccessible to children.

DISPOSAL: do not reuse container or sprayer for any other purpose. Wrap container and put in trash collection.

PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS & DOMESTIC ANIMALS  
CAUTION

Harmful if swallowed. Avoid contact with eyes, skin, and clothing. Wash hands after using. Do not allow children or pets to contact treated surfaces until spray has dried.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED - Drink one or two glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person. Get medical attention immediately. IF INHALED - Remove victim to fresh air and apply respiration if indicated. IF ON SKIN - Wash promptly with soap and water. Rinse thoroughly. IF IN EYES - Rinse eyes for at least 15 minutes with water and call a physician immediately.
