DEET LIP Submissions

Formula 6099 #11 Insect Repellent
EPA Reg. No. 4822-254
Submissions: October 30, 1991

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. Five copies of the finished labeling must be submitted prior to releasing the product for shipment.

- 1) Add the phrase "Use just enough repellent to cover exposed skin".
- 2) We note the addition of the sentence "Do not keep product on any longer than necessary". We believe this statement only partially complies with the intent of PR Notice 91-4. Add the phrase "After returning indoors, wash treated skin with soap and water".
- 3) For EPA Reg. No. 4822-197 and 4822-206, delete "Gives effective protection for the whole family" and "Provides hours of protection for the whole family".
- 4) For EPA Reg. No. 4822-239, note the correct spelling of black flies.

Sincerely,

RFM
 Richard F. Mountfort

SPRAYING

6017 FORMULA 7

INSECT
REPELLENT

(SPRAYS UPSIDE DOWN TOO!)

Provides long lasting protection from mosquitoes and biting flies: gnats, sand flies, no-see-ums, deer flies, stable flies, black flies. Also repels ticks, chiggers and fleas from treated skin and clothing. 6017 Formula 7 gives effective protection and is not greasy, won't stain and resists perspiration.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS - WARNING: Harmful if swallowed. May cause eye injury. Avoid contact with eyes and lips. Do not apply to excessively sunburned or damaged skin. Use sparingly on small children. Do not allow use by small children without close adult supervision. May cause skin reaction in rare cases.

STATEMENT OF PRACTICAL TREATMENT: IF IN EYES - Flush eyes with plenty of water. If irritation persists get medical treatment. IF SWALLOWED - Call a physician or poison control center. Get medical attention. If you suspect that you or your child is reacting to this product, wash treated skin and call your doctor.

PHYSICAL & CHEMICAL HAZARDS - FLAMMABLE: Contents under pressure. Keep away from heat, sparks, and open flame. Do not puncture or incinerate containers. Exposure to temperature above 120 F. may cause bursting. Do not expose treated surfaces near fire or flame until dry.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read all directions before using this product.

Hold container 6 to 8 inches from skin or clothing and spray with a slow sweeping motion. Do not use as a space spray. Avoid over exposure. Frequent reapplication and saturation are unnecessary.

FOR MAXIMUM PROTECTION, spread evenly with hand to moisten all exposed skin.

TO APPLY TO FACE: Spray palm of hand and rub on. Do not apply to eyes and mouth and do not apply to the hands of young children.

WORKS ON CLOTHING TOO: Spray shirts, pants, socks, and hats. For ticks and chiggers also spray cuffs, socks and around other openings in outer clothing. Do not apply under clothing. Will not damage cotton, wool or nylon. DO NOT APPLY ON OR NEAR: ACETATE, RAYON, SPANDEX OR OTHER SYNTHETICS (OTHER THAN NYLON), FURNITURE, PLASTICS, WATCH CRYSTALS, LEATHER AND PAINTED OR VARNISHED SURFACES INCLUDING AUTOMOBILES. Wash treated clothing. Do not keep product on any longer than necessary.

STORAGE: Store away from heat or flame in an area inaccessible to children.

DISPOSAL: Do not reuse empty container. Wrap container and put in trash.
