KILLS:

Roaches, Ants, Spiders, Crickets, Centipedes, Fleas, Palmetto bugs, Silverfish, Waterbugs, Millipedes, Earwigs

Non-staining, fresh, clean smelling formula.

For use everywhere around the house.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Shake can before using. Hold container upright. Apply to surfaces only. Point spray opening toward surface to be sprayed and press button firmly. Hold about 12" from the surface being sprayed. Spray until surfaces are wet. Avoid excessive wetting of carpets, furniture, drapes, and asphalt tile.

Roaches, Waterbugs

Initial Treatment Spray thoroughly in cracks around baseboards, behind and beneath cabinets, refrigerators, sinks, stoves, around plumbing and other localized areas where roaches live and breed. Also spray around window and door frames if insects are entering from outside.

Follow-up Treatment Respray weekly all troublesome areas where roaches are seen or where the infestation was heavy. (After 3-4 weeks of "follow-up treatments" reapply only as needed.)

Ants

Apply to ant trails; also around doors, windows and wherever ants enter the house. Repeat as necessary.

STORAGE: Store in a dry area inaccessible to children.

DISPOSAL:

Do not reuse empty container. Wrap container and put in trash.
