NAME OF PESTICIDE PRODUCT

Said Flea Killer Plus

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

B. C. Johnson & Son, Inc.
1525 Howe Street
Racine, WI 53403

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c) (7) (A) provided that you:

1. Add the phrase "EPA Registration No. 4822-273" to your label before you release the product for shipment.

Submit five (5) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

FOR USE IN THE HOME:

DIRECTIONS FOR USE: It is a violation of federal law to use this product in a manner inconsistent with its labeling.

SHAKE BEFORE USE. Hold container upright. Point valve away from face and press button.

FOR USE INDOORS: To kill fleas and ticks hold can 2-3 feet from surfaces to be treated. Be sure to apply uniformly, using a sweeping motion, to rugs, carpets, drapes and all surfaces of upholstered furniture. 1) If used on light or delicate fabric, test in an inconspicuous place prior to use. Avoid wetting furniture and carpets. 2) Treat under and around furniture if pets frequently rest in these areas. Repeat as necessary. 3) Use Raid Flea Killer Plus in conjunction with Raid Fogger for particularly heavy flea infestations and for a complete flea control program.

FOR USE IN PET AREA: Treat pet bedding and other pet resting areas as these are primary hiding areas for fleas and ticks. No need to remove pet bedding after treatment. Follow directions as for other indoor areas. For best results pets should be treated before they return to the treated area.

FOR USE ON CATS AND DOGS: To control fleas on cats and dogs, hold can upright, 10-12 inches from pet. Starting at the tail stroke against the lay of the hair spraying the parted fur directly behind the head to insure penetrating the coat. Avoid spraying the animal's head. Do not treat puppies or kittens under 6 weeks old.

Raid Flea Killer Plus

TO KILL: Roaches, waterbugs, silverfish, crickets, spray hiding places such as baseboards, pipes, behind bookcases, cabinets, and other storage areas hitting as many insects as possible. Repeat as necessary.

TO KILL: Ants, centipedes, spiders, sowbugs, carpet beetles, apply directly to pests, hitting as many as possible.

STORAGE: Store in a cool, dry area inaccessible to children.

DISPOSAL: Do not reuse container. Wrap container and discard in trash.

PRECAUTIONARY STATEMENTS

Hazard to Humans and Domestic Animals

CAUTION:

Avoid contact with skin or eyes. In case of contact immediately flush eyes and skin with plenty of water. Get medical attention if irritation persists. Do not remain in enclosed areas after use. Wash hands after treating pets. Avoid contamination of food and foodstuffs. Remove pets, birds and cover and turn off fish aquariums before spraying.

PHYSICAL AND CHEMICAL HAZARDS: Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 120°F may cause bursting.
