Johnson Wax Raid Flea Killer Plus is designed for use whenever a flea (bug) infestation

(s) occur(s) in your house. For a complete flea control program, or for particularly heavy flea infestations, use Johnson Wax RAID Flea Killer Plus in conjunction with other Raid Flea Killer Plus products.

**DIRECTIONS FOR USE:** It is a violation of federal law to use this product in a manner inconsistent with its labeling.

**SHAKE BEFORE USE.** Hold container upright. Point valve away from face and press button. (Picture)

**FOR SURFACE/CARPET SPRAY:**

Hold container (upside)( *pointing*) down 2-3 feet from surface. Point actuator towards surface and push button. Apply uniformly with sweeping motion. If used on light or delicate upholstery fabrics, test in an inconspicuous place prior to use.

**Carpet Application Rate:**

Long Shag	1 ft/sec covers 15' x 10'
Medium Shag	1 1/2 ft/sec covers 22' x 10'
Plush/Sculptured	2 ft/sec covers 22' x 15'
Wood/Linoleum	3 ft/sec covers 22' x 20'

**IMPORTANT:** Only complete coverage of carpets, upholstery and other fabrics will guarantee thorough flea elimination. Treat surfaces uniformly from one end to the other.

**FOR USE INDOORS:** To kill fleas and ticks hold can 2-3 feet from surfaces to be treated. Be sure to apply uniformly, using a sweeping motion, to rugs, carpets, drapes and all surfaces of upholstered furniture. Treat under and around furniture if pets frequently rest in these areas. Repeat as necessary.

**FOR USE IN PET AREA:** Treat pet bedding and other pet resting areas as these are primary hiding areas for fleas and ticks. No need to remove pet bedding after treatment. Follow directions as for other indoor areas. For best results, pets should be treated before they return to the treated area.

**FOR USE ON CATS AND DOGS:** *Read entire label before each use. Use only on dogs and cats. Consult a veterinarian before using this product on debilitated, aged, pregnant, or nursing animals. Certain medications can interact with pesticides. Consult a veterinarian before using on medicated animals. Do not use on dogs or cats under 12 weeks.* To control fleas (and ticks) on cats and dogs; hold can upright about 10-12 inches from pet. Spray to lightly dampen the animal's coat up to the head. For long-haired pets ruffle the coat and spray against the lay of the hair, spraying directly behind the hand so that spray reaches the skin. Rub into animal's coat to assure even coverage. Use fingers to rub product around eyes, mouth and ears. Do not spray head, genital-anal area or open wounds. **DO NOT OVER APPLY.** *Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.*  
(For best results in controlling tick infestations, spray ticks directly.)

**TO KILL:** Roaches, waterbugs, silverfish, crickets, spray hiding places such as baseboards, pipes, behind bookcases, cabinets, and other storage areas hitting as many insects as possible.

**TO KILL:** Ants, centipedes, spiders, sowbugs, carpet beetles, apply directly to as many as possible.

**STORAGE AND DISPOSAL STATEMENT**

**STORAGE:** Store in a cool, dry area inaccessible to children.

**DISPOSAL: Do Not Puncture or Incinerate!**

If empty: This container may be recycled in the few but growing number of communities where aerosol can recycling is available. If recycling is not available, place in trash.  
If partially filled: Call your local solid waste agency or 1-800-529-3394 for disposal instructions. Never place unused product down any indoor or outdoor drain.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** Harmful if absorbed through the skin. Keep out of reach of children. Avoid contact with skin, eyes and clothing. Do not remain in enclosed areas after use. Wash hands thoroughly with soap and water after handling and after treating pets. Ventilate enclosed areas before returning. Avoid contamination of food and foodstuffs. Cover and turn off fish aquariums. When spraying rooms, rugs and carpets, remove plants, pets, and birds.

**First Aid**

**If On Skin or Clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

[Note to Reviewer: Boxed format and "bullets" will be used if label space permits.]

**PHYSICAL AND CHEMICAL HAZARDS:** Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause bursting.
