PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS - WARNING: May cause eye injury. Harmful if swallowed. Avoid contact with eyes and lips. To apply to face, spray palm of hand and rub on. Do not apply to sunburned, damaged or irritated skin. Use sparingly on small children. Do not allow use by small children without close adult supervision. May cause skin reaction in rare cases.

(Note to reviewer: Boxed format or bullets may be used in First aid section if label space permits)

FIRST AID

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

Skin: If you or your child react to this product, wash treated skin and call a poison control center or doctor for treatment advice.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **Read all directions before using this product.**

Hold container upright 4 to 6 inches away from skin or clothing. Do not use as a space spray. Use just enough repellent to cover exposed skin. Avoid overexposure. Frequent reapplication and saturation are unnecessary. **FOR MAXIMUM PROTECTION:** Spread evenly with hand to moisten all exposed skin. **TO APPLY TO FACE** - Spray palm of hand and rub on. Do not apply to eyes and mouth and do not apply to the hands of young children.

WORKS ON CLOTHING TOO: Do not apply under clothing. Spray shirts, pants, socks and hats. For ticks and chiggers also spray cuffs, socks and around openings in outer clothing. Will not damage cotton, wool and nylon. **DO NOT APPLY ON OR NEAR: ACETATE, RAYON, SPANDEX OR OTHER SYNTHETICS (OTHER THAN NYLON), FURNITURE, PLASTICS, WATCH CRYSTALS, LEATHER, AND PAINTED OR VARNISHED SURFACES INCLUDING AUTOMOBILES.** Wash treated clothing. Do not keep product on any longer than necessary. After returning indoors, wash treated skin with soap and water.

STORAGE: Store away from heat or flame in an area inaccessible to children.

DISPOSAL: Before disposing, empty container by using the product according to the label. Do not reuse this container. Place in trash or offer for recycling if available.

If partially filled: Call your local solid waste agency or 1-800-529-3394 for disposal instructions. Never place unused product down any indoor or outdoor drain.

**Re: Maximum Strength Pump Spray Deep Woods OFF!, EPA Reg. No. 4822-276
Notification of Label Change per PR Notice 98-10**

Dear Ms. Edwards:

On October 22, 2002 S.C. Johnson & Son, Inc. submitted a notification for the subject product to add the following phrases:

- Repels mosquitoes that carry West Nile Virus
- Repels disease carrying mosquitoes
- Repels disease spreading mosquitoes
- Repels mosquitoes that may carry diseases
- Repels mosquitoes that may spread diseases

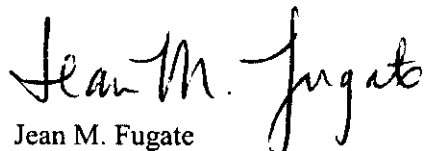

In a letter dated November 15, 2002, you informed us that the submission did not meet the requirements of PR Notice 98-10 and would require further review by the Product Manager, Joe Tavano.

Since that time SCJ has had discussions with Joe Tavano and Marion Johnson. They have indicated that some, but not all, of our statements from the 10/22/02 submission would be acceptable to the Agency. They clarified that only certain specifically-worded phrases would be acceptable to the Agency, but that it was acceptable to add those statements via notification. Specifically, the statements we discussed are ***Repels mosquitoes that may carry West Nile Virus*** and ***Repels mosquitoes that may carry diseases***.

My means of this letter we wish to inform you of our intention to add those new statements to our product label. In accordance with PR Notice 98-10 we have enclosed a fully executed Application for Pesticide Registration and one copy of revised labeling. For your convenience revisions have been marked in ***bold Italics***.

Thank you for your assistance with this matter. Should you have any questions regarding this submission or require anything additional please feel free to contact me at (262) 260-2871.

Regards,

Jean M. Fugate
Registration Specialist
