## RAID FORMULA 27B INSECT KILLER

- No Mess - No Lingering Odor
- Penetrates into Cracks and Crevices
- Small Particle - Killing Power
- Whole Room Treatment While Your Away
- Relieves Bug Infestations
- One Unit Treats up to 2560 cu. ft. (16' x 20' x 8')

For Indoor Use Throughout the Home: Kitchens, Family Rooms, Living Rooms, Garages, Attics, Basements, even around pet living areas.

### DIRECTIONS FOR USE:

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

To Kill: Roaches, Fleas, Pre-adult Fleas, Mosquitoes, Flies

### ROOM PREPARATION:

- Open cupboards, cabinets, and drawers.
- Remove or cover all exposed food and utensils. Remove pets and remove or cover fish bowls. Turn off aquarium air pumps.
- Close windows and doors, shut off exhaust fans, air conditioners, and temporarily disconnect smoke alarms.

### TREATMENT:

Tear off the plastic outer seal covering the fogger. Remove the yellow cardboard cover and discard. Take out the inner container and remove its protective foil pouch. Use care, not to tear or destroy the red seal covering the metal can.

Fill outer plastic cup with water to the line near the bottom of the cup.

Place the metal can inside the plastic container with water. Be sure the red seal of the metal can is in the upper position. Put the red cover on the container.

Place the fogger in the center of the room. Fogging will start within 1-2 minutes after placing the metal can inside the container with water. Keep the door and windows closed for 2-3 hours.

After fogging, follow the STORAGE and DISPOSAL instructions below.

#### AFTER TREATMENT:

- Before re-occupying area, open all doors and windows and air for 30 minutes.
- Reactivate smoke alarms.

#### STORAGE:

Store in original container in a dry area inaccessible to children. DISPOSAL: Do not reuse containers. Wrap containers and discard in trash.

#### PRECAUTIONARY STATEMENTS

##### Hazards to Humans and Domestic Animals

##### Caution

Harmful if swallowed or absorbed through the skin. Avoid contact with skin, eyes or clothing. Do not remain in enclosed areas during treatment. Ventilate enclosed areas before returning. Avoid contamination of food and foodstuffs. Cover or remove fish bowls. Remove pets before using.

#### Statement of Practical Treatment:

If swallowed: Drink one or two glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.

#### Physical and Chemical Hazards:

Do not touch hot metal container while activating or immediately after use.
