Saves buying several single purpose insectices. Its powerful formula is specially designed to kill crawling, flying and garden insects. Feel confident to use it anywhere indoors or outdoors including around carpets, draperies, no-wax floors, houseplants and garden plants.

Kills the following insects

Ants Fleas Mosquitoes Aphids Flies Moths (small flying) Carpet Beetles Waterbugs Gnats Red Spide Mites Spiders Thrips (Exposed) Roaches Centipeds Gypsy Moth Larvae Climbing Cut Worms Japanese Beetles Wasps Silverfish Webworms Crickets Leafhopers Sow Bugs Whiteflies Earwigs Boxelder Bugs

Caterpillars

DIRECTIONS FOR USE: It is a violation of federal law to use this product in a manner inconsistent with its labeling.

SHAKE CAN BEFORE USING. Hold container upright. Point actuator opening away from face and push button.

CRAWLING BUGS: To kill roaches, waterbugs, crickets, silvertish, centipedes, spiders, sow bugs: Hold dispenser about 12 inches from surface being sprayed. Spray thoroughly into hiding places such as cracks, moist areas, openings around pipes, and sinks, under refrigerators, baseboards and storage areas.

ANTS: Spray trails, nests, doors and window frames where ants enter.

BEST AVAILABLE COPY

FLEAS: Spray floors, floor coverings and sleeping quarters of pets. Repeat as necessary.

CARPET BEETLES: Spray top and underside of rug. Repeat as necessay.

FLYING BUGS: To kill flies, mosquitoes, gnats, small flying moths: Close all doors and windows. Direct the spray mist to all parts of the room especially windows and other light sources which attract these insects, staying about 3 feet from walls, fabrics and furniture. Fill room with mist then leave the treated areas. Keep room closed for at least 15 minutes. Ventilate the room when treatment is completed. WASPS: Spray directly on stray wasps that enter buildings.

GARDEN BUGS: To kill aphids, climbing cut worm, gypsy moth larvae, Japanese beetles, leafhoppers, red spider mites, exposed thrips, webworms and whiteflies on ornamental garden plants: Salvia, Roses, Gladiola, Azaleas, Dahlias, Chrysanthemums, Asters, Marigolds, Delphiniums, Petunias, Begonias, Iris, Snapdragons, Evergreens, Deciduous Shrubs, African Violets and English Ivy; Spray when air is still and temperature is not above 90°F. Spray with slow sweeping motion 36 inches from all plants. Avoid wetting-a light spray kills pests effectively. Spray in short bursts. Repeat application from time to time as long as insects are present. Use with caution on tender foliage, young plants and new growth. For adult Whiteflies, Red Spider Mites, Gypsy Moths and Japanese Beetles be sure to direct spray to contact these pests. Thoroughly cover the infested area. Repeat as necessary.

STORAGE AND DISPOSAL

STORAGE. Store in an area inaccessible to children.
PISPOSAL: Wrap empty container and put in trash. Do not puncture or incinerate. Do not reuse empty container.
